## Langruth Skating Rink Volunteers Prepare for the 2019 Season

The Langruth Skating Rink volunteers are working hard to prepare for the 2019 skating and curling season in Langruth. The Langruth Skating Rink offers Public Skating and Casual Curling. (Curling available after ice is freshly flooded). Ice-time is available for rent for recreational skating, hockey and curling. Skating and curling is also part of the Langruth Elementary School Phys. Ed. Program where all students are given the opportunity to skate and/or curl. A variety of food and beverage items are available at the canteen. Dedicated community volunteers ensure that the Langruth Skating Rink is available to the community during January, February and March, depending on the weather.

### Volunteers are needed for:

1. Making Ice.
2. Working in the Canteen.
3. Ice Maintenance.

Any help that you can offer is appreciated. Tom Teichroeb has been contacting community members to help make ice. Bobbie Czeranko will be collecting names of volunteers who can work in the kitchen. Feel free to contact them if you are able to volunteer.

## Langruth Skating Club Activities

The Langruth Skating Club will be planning activities for the 2018 Skating Season. If you would like to help organize activities and/or would like your children to participate please contact Michelle Teichroeb at 204-445-2319.

## Langruth Recreational Curling

Recreational Curling will once again be part of the weekly activities at the Langruth Skating Rink this winter. Volunteers to help coordinate curling nights are needed. Please contact Michelle Teichroeb at 204-445-2319 or Bobbie Czeranko at 204-445-2467 if you can help out in anyway.

## Nature Notes

*Submitted by Raymond O'Connor*

### Northern Saw-whet Owl

The incessant call of the male Northern Saw-whet Owl during breeding season sounds like a saw being sharpened or whetted. Some winters a number of this little owl are found well south of the normal breeding range. This species is one of the smallest owls. Note the lack of ear tufts, dark bill and white eyebrows. Juveniles have tawny-cinnamon underparts, chocolate-brown upperparts with white spotting and a bold white Y from beak to eyebrows. Females are larger than males.

The Northern Saw-whet Owl sings during breeding season only. Its song is a repeated one note whistle of 'too-too-too' sometimes for hours at a time.

This owl lives solitary or in pairs. It eats small rodents, large insects, birds and bats, hunting primarily at night. It perches low, searching for prey, then flies down snatching it up with its talons.

Northern Saw-whet Owls are territorial birds and often respond to imitations of their call by speeding up the rate of their calling. They are often attracted to a playback of their call.

The nest is in a tree cavity, abandoned woodpecker hole or nesting box 4 – 18 metres above the ground. There are no nest materials. They use nest boxes about the size of Wood Duck boxes.

The Northern Saw-whet Owl has 1 brood per year. Incubation is 26 - 29 days by the female. The young stay in the nest 27-34 days and are fed by both sexes. The male brings the food, and then the female feeds the young for about the first 18 days.

## Fifty and Beyond News

The Langruth Seniors held their monthly business meeting on November 7<sup>th</sup> with four members present. Harry Lazor greeted everyone and asked for the various reports.

Ann Craik gave the Cheer Report in Ola Czeranko's absence. Three birthday cards and one Get Well card had been sent out.

There was no correspondence so we proceeded to discuss the menu for the monthly supper. We also discussed our Christmas Party and Supper. It will be held at the Langruth Community Hall on Saturday, December 15<sup>th</sup>. The doors will be open around 4:00 pm to set up and visit. We will make a couple bowls of slush and have snacks before supper at 6:00 pm. Emily Thompson has tickets for the catered supper. Tickets are \$18.00/each. After supper we will sing carols and have a small gift exchange. If you would like to participate please bring an unwrapped gift of under \$10.00. There will be a door prize as well. I hope that everyone will come out for our supper.

We would like to wish Emily well on her recent knee surgery.

We wish everyone a very happy Christmas and hope that everyone will be able to travel safely to see friends and family over the holidays. We send our deepest sympathies to anyone that lost a loved one this year. We hope that you find comfort this Christmas season.

Our next business meeting will be on December 5<sup>th</sup> and we all will be bringing Christmas baking to share. We wish you all a very Merry Christmas and Happy New Year.

Until next year,

This is Teri Soos

## News from Here, There and Anywhere

Reporter Teri Soos

Hi everyone! It's me again. I guess it has been a month since our last issue of the newspaper. We have had some snow since then and we are getting a little more. This morning there is apparently icy fog in the area. My home care worker said the roads weren't too bad. I hope that everyone was able to safely get where they needed to go.

Our annual Tree Lighting was on November 30<sup>th</sup>. It was a little cool but it was still a nice night to go out for carols, a bonfire and fireworks. I didn't get out to it but I did see some of the fireworks that were set off. It is always nice to see fireworks over snow because they have an extra sparkle. Cookies and hot chocolate followed at the Langruth Elementary School. I heard there were just over 50 people out for the evening. This is a wonderful tradition in our community which I hope continues.

I have a fair amount of snow around my yard. I haven't had my car out because I don't want to get stuck. I will have to call the municipality to see about having my driveway cleared. The municipality has been out to clear the streets and sidewalks. I see one of my neighbors is using his new plow to open up his driveway. Hopefully the municipality will be able to open driveways so we can all get out and about.

I hope you will all consider going out to the School's Christmas Concert on December 12<sup>th</sup>. This year the concert will be held at the Langruth Community Hall. There will also be a Bake Sale so we will have a chance to purchase some Christmas baking. It is always nice to see what the children have been working on.

The local churches also have a very nice Christmas Concert. The concert and potluck supper will be on December 16<sup>th</sup> starting at 4:30 pm at the Langruth Community Hall. Everyone is welcome to attend.

I would also like to remind you of the Langruth Senior's Christmas Supper on Saturday, December 15<sup>th</sup> at the Langruth Community Hall. The supper will be catered by Teresa Roy and tickets are \$18.00 each. We will have some carols, a small gift exchange and a door prize

after supper. We often have 30 people attend so it is always a nice night to come out for a visit.

Of course our local churches will be having special services for Christmas. The Christmas Eve Services are listed in the Church News. We hope that as many as possible find the time to attend a service for Christmas.

We recently had a Wedding Shower for April Callander. She received some beautiful gifts and everyone had a nice time at the shower. We send April and Rhys good wishes for their wedding day in February and for a long happy marriage.

To anyone that has had a birthday or anniversary we send best wishes. We hope you had a happy day and will have many memories to take with you for the coming years.

I have heard of a few people that are waiting to move to senior's homes in Portage. Marion Johanson and Blanche McLeod are both in Gladstone at the moment. Ellen Forsley, who was recently at our senior's supper, has been spending time with her daughter Arlene and her niece Lois Wilson while she is waiting to move into a senior's home in Portage. Apparently there is quite a waiting list. Alice Holmes has recently moved to a senior's home in Winnipeg. She is now closer to Gordon and others in the family. We wish her well in her new home.

My sister Julia recently moved into the care home in MacGregor. She seems to enjoy it there. She is still having trouble with her dizziness. My sister-in-law Marg Soos in Gladstone is also having trouble with dizziness. Hopefully they will be able to find out what is causing it. My niece Joanne Kleemola and her daughter Taralyn have been suffering with colds and flus this past while. Taralyn has spent sometime in the hospital. Joanne's cold has unfortunately turned into pneumonia. Best wishes to Stephen Soos who had a small operation on his neck recently. We also wish Emily Thompson a rapid recovery from knee surgery. To these folks and anyone else that has been dealing with health issues, we hope that you are in the recovery mode so you can enjoy the Christmas season with your families.

Let's also send our deepest sympathy to anyone who has lost friends or family this year. This past spring we lost a number of people from the area. We hope that the Christmas season will bring memories of happier times to you all.

### News From Here, There .. con't

There are a number of people that leave us for the winter months to get away from the cold winter. Some people have headed to their winter homes and some will go a little later. We hope that everyone has a nice time away and they have a good winter. We will look for you in the spring.

I heard that there was an earthquake in Alaska. We hope that everyone is fine. I haven't experienced an earthquake but I have heard that it is quite something to live through. I heard that there are areas without power which certainly wouldn't be good at this time of year. We hope things will get better soon for everyone there.

I was speaking to my sister in California recently. She says the fires are mostly out and they are getting some rain. Unfortunately the rains are causing landslides. The homes that were burned are very sad to see as well as the rest of the landscape that burned. Many people say they are going to rebuild. It is so sad to see all the damage that the fires caused. We can only hope that it was a strike of nature and not set intentionally

We have had a very nice turn out at our seniors suppers the last couple months. Last month we even had some entertainment before the meal.

We recently had the mail strike by Canada Post. There seems to be a strike every now and then. I am hoping that everyone got their parcels through. Sadly, I have to say that I haven't gotten a parcel that I have been waiting for. It is hard to imagine a mail strike at Christmas but it is over and hopefully our Christmas cards and letters will still get out in time.

It is nice to see so many homes and trees decorated around town. Sadly I won't be able to decorate this year due to my hands not working properly. Hopefully everyone else will make up for it. My neighbors have trees decorated in the front and back of their yard. It certainly is nice to look at. They also put up their decorations early so we get to enjoy them for quite a while. Keep up the good work everyone. Your decorations are looking great.

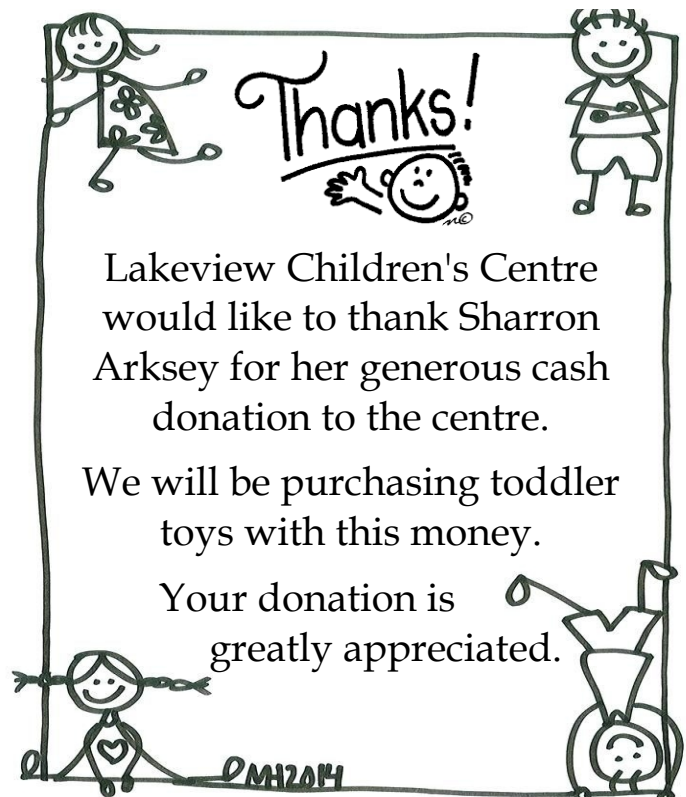

We have had a number of Christmas Greetings submitted to the newspaper. I think it is a great place to send a short greeting to friends and neighbors reading the newspaper during the

holidays. Best wishes for a wonderful Christmas from everyone involved with the Langruth Views.

That is all for now. Once again, I wish you all a very merry Christmas. I hope that you will be able to get together with all your friends and neighbors. I hope you receive all the gifts you are hoping for and that the coming year will be a good year for you and your family. We are hoping for a nice peaceful winter.

Until we talk again, Merry Christmas and Happy New Year,

Love to all, Teri Soos.

## Langruth Remembrance Day Services and Bells of Peace

A Remembrance Day service was held at Langruth Elementary School on November 9<sup>th</sup>. The children participated to honour those that have served and continue to serve our country.

On November 11<sup>th</sup> Langruth and area residents honoured those who dedicated and sacrificed their lives in service to the nation at the Langruth Cenotaph. Thank you to Deputy Commander of District 2, Harry Falk, for leading the service. A time of fellowship was held afterwards at the Langruth Community Hall. Thank you to everyone who contributed in any way to making the service and lunch possible.

Later that afternoon at 4:00 pm Langruth marked the 100<sup>th</sup> anniversary of the end of the First World War by ringing bells 100 times. The ringing of bells emulated the moment in 1918 when church bells across Europe rang as four years of war had come to an end.
