Thank You

The family of Russell Moffat sincerely
thanks you for all the love and support we
received during our father's passing.

All the food brought to the house was so
appreciated, as were the cards, flowers,
and phone calls we received. Also, thank
you to the Bohms for the chairs and Jim
Stanley for the heater, allowing us to use
Dad's garage the day of the funeral. Thank
you Wayne and Sheila for the help you
gave us when Dad was sick. So
appreciated. We are grateful for
everyone's kindness.

*Sincerely, Dawn, Lorrie, Cindy, Robert,
Debbie and Suzanne, along with our
families.*

**IT IS MANDATORY TO HAVE A FIRE PERMIT.
APPLICATIONS CAN BE FOUND ON THE MUNICIPAL
WEB SITE AND ARE FREE.**

Municipality Holds Special Services Public Hearing

On March 6th the Municipality of WestLake-Gladstone held a Public Hearing at the Gladstone District Community Centre to discuss a proposed special service levy for a Municipal Ditch Maintenance Program. Ditch and Drain Infrastructure within the municipality requires maintenance due to previous high-water conditions and other contributing factors. Council feels they have determined a taxation method to generate funds for this program that is appropriate for all those affected.

The proposed levy, as part of By-Law No. 2019-02, would affect all properties with Class 30 (Farm) and Class 10 (Rural Residential) land assessment. Council feels that the funds collected will go towards work that will be beneficial to all property owners. Approximately 600 miles of work is included in the proposal. This includes surveying, licensing, clean out to ditch bottom and vegetation clean out. The estimated cost of this work is \$725 220.

100 people registered at the Public Hearing and 21 of those made formal presentations. A public hearing is an effective approach for the municipality to receive feedback from the public. Council received 23 letters of objection signed by 35 taxpayers. Of the 21 presentations at the Public Hearing, 20 registered their presentation as an objection and one person registered their presentation as being in favor.

After reviewing objection letters and presentations, council gave first reading to By-Law No. 2019-02 and revised the Special Service Levy Proposal. A detailed description of the taxation method is available from the municipality. Generally, it includes a parcel rate of \$67.00 per parcel of land and a 0.35 mill rate. The special service levy will pertain to the years 2019, 2020 and 2021.

Potential taxpayers under this Special Services By-Law who object to the By-Law can file a notice of objection with the Secretary to the Municipal Board, 1144-363 Broadway, Winnipeg, Manitoba, R3C 3N9 within 30 days of March 15th, 2019. It is also important to continue to voice your opinion with your local councillors before the Second and Third Readings commence and the By-Law is approved.

Fifty and Beyond News

The Langruth Seniors held their monthly business meeting on March 6th at the home of Emily Thompson. Emily served lunch that day and she was still recovering from knee surgery. Harry Lazor greeted everyone and asked for the various reports. The bills that needed to be paid were discussed. In our Cheer Report there were two birthdays. There was no correspondence.

In the business report, Emily reported that Leanne Saunders called her to ask if we would like to come to Plumas on the 18th for a fun afternoon. Three of us went from our club. Leanne had made quite a few calls and there were a number of people there. We played cribbage, whist, scrabble and a few games of card bingo. It was a fun afternoon. We may go again. It is nice to get together with friends and neighbors. Thanks to the Plumas ladies for inviting us over for a fun afternoon.

Ann Craik mentioned that she had spoken to Sheila Olson about collecting donations for the Care Program (Food Bank) running out of Gladstone. Sheila offered to take the donations to Gladstone if no one else was able to. We will decide how we can collect some donations for this program. One thought is a basket at the Post Office again. We collected donations at Christmas but this program runs all year for people that are in need.

We discussed the menu for the next supper which was on March 28th. We had a very nice supper even though there weren't many there. We hope to see more at our April 25th supper.

Our next meeting was on April 3rd. I will report on the meeting in the May issue.

After the meeting we enjoyed Emily's lunch, discussed 'world affairs' and enjoyed each other's company.

Until next time, Teri Soos

Langruth Skating Rink

With the help of many community volunteers the Langruth Skating Rink had a very successful season.

A profit of \$3392.75 from the Canteen and \$1083.00 from Skating Fees will be put towards the operation and upkeep of the skating rink.

Thank-you to the many people who helped make and maintain the ice, the Canteen volunteers and those who picked up supplies over the course of the season.

Thank-you to everyone who purchased Chase the Ace cards.
All 52 cards were sold. A profit of \$520 was put towards the operation and upkeep of the skating rink.
The lucky winner of \$520 was Brian Lasson.

Thank-you to the following donors for their donation to the Canteen.
Simplot, Richardson Pioneer – Dundonald,
G.W.B Auto Sales & the Pine Creek Teachers Association.

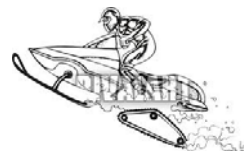

Langruth Holds Successful Poker Derby

A Poker Derby was held in the Langruth area on Saturday, March 9th. The weather made for a wonderful day to go ski-dooing and participate in the Poker Derby. Starting at the Langruth Skating Rink, riders traveled the 40 – 50 mile trail returning to the skating rink to see if their poker hands won one of three prizes. Ghost hands or non-riding hands were also available for those that don't ski-doo.

Thanks to Charlie Rinn for judging the poker hands and determining the winners.

1st Place (25% of entry fees): D. Meloney
2nd Place (15% of entry fees): K. Dick
3rd Place (10% of entry fees): J. Bohm

Proceeds from the Poker Hands were split between the Langruth Elementary School Parent Advisory Committee and the Lakeview Fire Department. Proceeds from the Canteen went towards the Langruth Rec. Committee. Thanks to everyone who helped make this a successful fundraiser for these organizations.

Langruth Skating Club Holds End-of-Season Wind-Up

The Langruth Skating Club had a great season with eager young skaters. 25 children registered for a variety of skill building activities, races and games organized by Michelle Teichroeb. Seven children registered for Rec. Hockey with Eyvi Hanneson. A big thank-you to our volunteers!

This was an exciting year for our club as both skating lessons and rec hockey were offered. Skating lessons included Beginner, Power Skating and Beginner Figure Skating. Our small hockey team was excited to host 3 games in Langruth against Gladstone and Glenella and travel to Glenella for one game.

The Season Wind-Up was held on Friday, March 1st with a variety of fun activities for all age levels followed by a hockey game. Thanks to everyone who purchased tickets at the Silent Auction and baking from the Bake Table in support of the skating club. This year the Langruth Skating Club purchased hockey sticks, pucks and an extra 'pusher' for beginners.

We look forward to offering a variety of activities next year for children. Please watch for information next winter.

Nature Notes

Submitted by Raymond O'Connor

Yellow Warbler

This plump-bodied bird has wider range than any other North American nesting from Canada to Mexico and from the Pacific to the Atlantic coast. A habitat generalist, like many warblers, it feeds harmful leaf-eating caterpillars to its nestlings. When a cow bird invades and lays eggs in this warbler's nest, the female builds a roof over all of the eggs, both hers and the brood parasite's, and lays a new set on the 'new' nest floor. As many as six stories have been found in a single nest, each floor containing entombed cowbird eggs.

Bright red streaking on the male's underparts distinguishes him from the females and all other North American warblers. Females may have faint reddish streaking on their underparts. Juveniles resemble adult females.

Yellow Warblers live solitary or in pairs. They are tame and conspicuous. They forage in bushes, shrubs or trees. They glean food from branches and foliage, and sometimes hawk insects. They mostly eat insects, larvae and some fruit.

The nest is strongly built of plant material, grasses, moss, lichens, and fur bound with spider's silk and cocoon material. The nest is lined with fine materials. It is in the fork of a tree or bush 2 – 4 metres high (but up to 18 metres). The female mostly builds the nest while the male watches.

Incubation is 11-12 days by the female. The young are brooded by the female and remain in the nest for 9-12 days. They are fed by both sexes. There are 1-2 broods per year.

Yellow Warblers are common and widespread in riparian thickets, second-growth woodland, gardens, orchards and wetlands. They are a common host to cowbird parasitism.

Langruth Community Hall

The Langruth Community Hall is available for rent at very affordable rates for all types of occasions.

Gladstone Music & Arts Festival News

The Gladstone Music & Arts Festival is the longest running festival in Manitoba and the 89th edition will be an exciting festival season. The festival committee is pleased to be able to offer young performers in the area an opportunity to share their love of music and performance. The feedback from professional adjudicators helps them grow as young performers.

In order to keep entry fees affordable, the festival committee relies on the generosity of local organizations, businesses and community members. Donations to the Gladstone Music and Arts Festival are used to hire quality adjudicators, tune pianos, purchase awards and pay administrative costs. Donors can receive charitable receipts which may be used for income tax purposes. Charitable receipts are provided by the Big Grass Community Foundation. Donations can be mailed to:

***Big Grass Community Foundation
Box 497, Gladstone, MB R0J 0T0.***

Please make cheques out to the ***Big Grass Community Foundation*** with instructions that the funds are to be directed to the *Gladstone Music & Arts Festival*. Donations of \$20.00 or more will be issued a tax receipt. All donations are greatly appreciated.

The festival committee always appreciates the help of new volunteers. As family and personal commitments change, the festival committee periodically needs to recruit new members. Ideally, committee members have an opportunity to work with the committee prior to filling an executive position. If you are interested, please contact any one of the festival committee members. Thank-you for considering joining the Gladstone Music and Arts Festival Committee.

Gladstone Music & Arts Festival

Band: April 10, 2019

Speech/Vocal: April 15, 16 & 17, 2019

Piano: April 23 & 24, 2019

***Programs available at Clarke's of Gladstone
& Gladstone Pharmacy***

Palliative Care Volunteer Program

The annual **Palliative Care Conference** will be held on **Thursday, May 9th** from 9:00 am until 4:00 pm in Carmen, MB. The topic '**Just For You**'

is geared towards our faithful Palliative Care volunteers and/or anyone interested in Palliative Care. Includes lunch, door prizes and a yoga break with sessions by the stress experts and nd many more!

Transportation is available upon request at no additional charge!

Please contact Leah Hamm at 204-872-3866 to register.

The Big Grass Community Foundation

is accepting Grant Applications from area community organizations for 2019.

Please forward applications to:

Langruth Fall Fair News

The Langruth Fall Fair will be celebrating 65 years on Saturday, August 17th, 2019.

It is always fun to see what the children worked on for Fall Fair Crafts. This year's Children's Classes include:

Preschoolers:

1. A Drawn Picture
2. Colour a picture from a colouring book.
3. Collage
4. Article made of Playdough or Modeling Clay

6-11 Years:

1. Vegetable/Fruit Creature
2. Sugar Cookies
3. Bannock
4. Bouquet of Wildflowers
5. I Spy Bottle
6. Any Drawn Picture
7. Clay Sculpture
8. Pet Portrait
9. Bird House using recycled materials
10. Fairy Garden

12-16 Years:

1. Carrots, 4 Roots
2. Chocolate Chip Cookies
3. Brownies
4. Bannock
5. Bouquet of Wildflowers
6. Self-Portrait
7. Pet Portrait
8. Drawn Picture
9. Item made from old jeans
10. Fairy Garden

Please contact Diana at 204-445-2008 or Tamara at 204-445-2141 if you have any questions regarding the Fall Fair classes.

Flower Arranging Seminar

The Langruth Fall Fair is hosting a Flower Arranging Seminar in July.

You will need to bring flowers and a container.

For more information and to register call Tamara at 204-445-2141 or Diana at 204-445-2008.

News From Here, There and Anywhere

Reporter Teri Soos

Happy Spring Everyone! The calendar says it should be spring. The first day of spring wasn't too bad of a day. The snow certainly has melted. I noticed that there was very little snow left in the bushes as well as out in the open. There isn't a great deal of water or mud to be seen anywhere. I am hoping that we have a better year than last year in terms of a drought. I see reports of possible flooding south of Winnipeg but that river doesn't come our way so we won't have to worry about that. They apparently had quite a bit of snow in Saskatchewan so there might be higher flows on the Assiniboine yet to come. Our gardens didn't do too bad last year. Most people seemed to get what they needed out of their gardens. You never know what this year will bring if it will be drier. We hope that there will be enough moisture for our gardens, the pastures and the crops. We will need to keep our fingers crossed that we will get some nice rains that will feed our soil and make it moist again so everything will grow properly. Once the ground warms up we will be ready for a little rain.

The school Spring Break has come and gone. I'm sure some years the children probably love to play in the mud and the muck over Spring Break. I don't think there would be much to worry about this year because there wasn't a great deal of water for children to play in. I hope they all had a nice break from school and were able to play outside in the fresh air. Now they are back to school and their learning. It is so important to learn all the variety of lessons even if it doesn't seem important at the time. We never know where we will end up and what will be important over the years.

It seems like the children have their phones and tablets to learn with these days. I remember days when all we had was a pen and pencil to add up items and write everything down. I know that people now rely on their electronics to correct their spelling. With the internet and texting it seems like there is a completely new language out there. It certainly is something to learn all these new things.

News From Here, There... con't

I was recently at a restaurant and there was a group of 5 or 6 people who were all looking at their palms checking messages and playing games on their electronics. They didn't appear to even notice anyone else at their table. I don't know if they even knew what they ordered. Visiting seems to be a thing of the past because everyone is so focused on their cell phones and tablets. It is very unfortunate but this is our new world and we will have to learn to live with it. Thank goodness there are now fines for texting and talking on the phone while driving.

We had our Pancake Supper and Talent Auction at the beginning of March. This was a fundraiser for the two churches here in town. There was a nice turn out as usual although we do have fewer people around. There were over 35 items auctioned off. There were quite a few items of 5lb of Pickerel Fillets. These would be nice packages to take home as there would be enough fish to make a nice meal for a family. I am always amazed when the vinarterta sells for \$400.00. I like vinarterta but I am not an Icelander so I don't understand paying that much for a small cake. How do you eat such an expensive cake? Of course everyone realizes that while the bidding is very high for simple items this is many people's yearly donation to our local churches. I know that both churches greatly appreciate everyone enjoying the fun evening and the donations that they receive.

We do have a few evenings of entertainment coming up. The Highway 50 Players will be putting on a play on Saturday, April 27th. It will be a Dessert Theatre. The young people who practice at the hall will hold their performance on May 31st. The drama class will be performing *Toy Story* and the dance class will perform that evening as well. It will be a real treat to see what both these groups have been working on. I am hoping that drama group from Gladstone will come through Langruth again as well. It is always fun to see people you know acting in the performances.

Sadly, we now have to pay another tax. The Carbon Tax has come into effect. I still see quite a few people fueling up at our local card lock site

even though the fuel is a few cents more per litre. It is just a few cents per litre but in the long run it will still add up.

Unfortunately we may see higher prices on some of our fruits and vegetables due to all the rain in California. So we will see added expenses both at the grocery store and the gas station.

By the way, we have a seniors day out planned in Langruth on April 8th. We will be hosting the Partner Cribbage Playoffs for the Seniors Games. We always enjoy hosting this occasion and having people come from all parts of Manitoba. We usually play a few games in the morning and then break for lunch and finish the rest of the games after lunch. Anyone that is interested in coming for lunch is certainly welcome. Various soups, open face sandwiches and a dessert will be available for \$7.00. We hope to have some people out for lunch along with the cribbage players.

We wish everyone who had a birthday well and hope they had a good time on their birthday. Many happy returns of the day to each of you.

April Callander and Rhys Gilchrist were married at the end of February. April is Richard Callander and Dawn Vandersteen's daughter. We certainly wish April and Rhys a very happy married life.

I understand that the flu is still making its rounds. To anyone sick with the flu or other ailments, we hope you are feeling better soon. Spring is here and we hope you can get out to enjoy it. I understand our nurse practitioner at the mobile clinic isn't feeling well. I have had my appointment changed a few times so I know she isn't well enough to come back to work yet. We certainly hope that she is back on her feet before too long. I know that a number of us visit the mobile clinic here in Langruth regularly. It is a real asset to our community.

Sadly I have a few deaths to announce. We send our deepest sympathies to these families. We hope that memories of happier times help them through the coming days. I recently heard of the death of Raymond Karaz. He was the youngest son of Joseph and Elizabeth Karaz who built the movie theatre in Langruth. Raymond passed away at his residence in Winnipeg.

News From Here, There... con't

Russell Moffat also passed away. He and his wife Doris, who has passed away, lived in the Lakeland area for many years. He was one of our regulars at the seniors suppers. We are going to miss our monthly visits. Many will remember Vera Hanneson. Vera taught here for many years. Vera and her husband, Oli, and family had moved to B.C. after she retired. Most of their children grew up in the area. I'm sure many will know Regina Reiner. She was from the Plumas area. To these families and families of anyone that we missed, we send our deepest sympathies.

I know that hearing of people who have passed away isn't happy news but it is still nice to be informed of anyone that has passed away if they are from our area or were from our area. Please feel free to contact me if you know of the passing of anyone from the area.

That is about all for this time. As I mentioned, spring is here. We have changed our clocks and we are ready for the next season. I have heard talk of staying on Standard Time instead of changing it twice a year. I did notice on the calendar that many places have a date when the clocks change. I'm not too sure that we will ever stick to one time in Manitoba. It doesn't really bother me but I know that there a many people that don't care for changing the clocks all the time. It would be easier to stay on the same time throughout the year.

That is all for this time. I hope you all have a nice spring season.

Until we talk again.

This is Teri Soos.

Obituary: Vera Hanneson (nee Clarke)

With heavy hearts, we announce the passing of our loving mother, Vera Hanneson, peacefully on March 4, 2019, surrounded by family, at Vancouver General Hospital, at the age of 92. Vera was

predeceased by her beloved husband, Olafur (Oli), in 2012, after being blessed with 61 years together. Left to dearly cherish her memory, are her children Donna Lynne (Terry), Brenda (Peter) and Neil (Tracy), grandchildren, Paul (Joy), Christie (Mike), Amy (Marie) and Mark, and great-grandchildren, Blane, Drew, Jake, Max, Zoe, Lily, Eloise and Oskar. She also leaves to mourn, her dear brother Ben, brother-in-law Gus and many dear nieces, nephews and friends.

Vera was born in Waukegan, Illinois, to Ethel and Stanley Clarke. She was the third of four siblings – Doris (Gus), Glen (Erica) and Ben (Star). Vera grew up in Teulon, MB and after she completed Normal School in Winnipeg, MB she accepted a teaching position in Langruth, MB, where she met and married the love of her life, Oli Hanneson, a local farmer, fisherman and musician. They were devoted to each other. In 1973, Vera, Oli, and Neil moved to Vancouver, where she soon got a job at BC's Workers' Compensation Board. She kept in close contact with her many friends from WCB, until long after her retirement 17 years later.

Vera had many interests and experiences, which included horseback riding, playing baseball, riding the roller coaster at Winnipeg Beach, being a proud member of the Langruth Royal Purple and curling in Langruth and Vancouver. Vera, being a 'Life Long Learner', was always interested in expanding her knowledge in areas of interest, including furthering her education training. She was an avid reader and an enthusiast when Vancouver hosted Expo 86 and the 2010 Winter Olympics.

Obituary: Vera Hanneson (nee Clarke) con't

In a naturally occurring way, Vera became a caregiver to others, as she selflessly and compassionately became an important support to many. Residents and staff from Southview Heights and Terrace Independent Living, told how she had helped them and others and how much she was loved, respected and valued. Mom also held them in high regard as they, too, brought great joy to her days. Later, she made connections with both residents and staff at Royal Ascot Care Centre. Our sincere thanks, to friends and staff at both facilities, for their wonderful support and friendship.

Numerous people, from where Mom lived and businesses she frequented, have described her as always being positive, cheery, friendly, helpful, kind, welcoming and sweet, and having a 'million dollar smile'. Her family knows this to be true. She was an intelligent, independent woman with great strength and determination, a keen sense of humour and exceptional wit, always choosing a positive outlook.

Mom's Manitoba and Vancouver friends were very special and important to her. As a testament to this, many friends and family attended her 90th Celebration, with eleven being former Langruth students. One even brought her an apple!

Family was everything to Mom. Her kindness, caring, giving and unconditional love always shone brightly. She was attentive, making sure everyone felt nurtured, special and loved. She will continually live on in our hearts, with the many treasured memories of her beautiful smile and gentle, loving ways. We dearly love you, and will cherish forever the wonderful gift you have blessed us with, by being a devoted, loving wife, and devoted and loving Mom, Grandma, Great-Grandma/Amma and friend. We will truly miss you. Until we meet again ...

A beautiful, private Celebration of Mom's Life took place in Vancouver, on March 9, 2019.

If so desired, a memorial donation may be made in Vera's honour, to the Langruth Lutheran Church or the Langruth United Church, or to a charity of your choice.

***Mom and Dad,
"YOU ARE OUR SUNSHINE".***
