Municipality of WestLake-Gladstone Issues Burning Ban

The Municipality of WestLake-Gladstone issued a burning ban due to extreme fire risk and dry conditions on April 26th. The ban will remain in place until otherwise posted. There is to be absolutely no burning within the boundaries of the municipality. This includes campfires, bush burning, garbage burning, etc. Fire departments will not be issuing burning permits during the ban. For further information please contact your local fire department or the municipal office.

MUNICIPALITY OF WESTLAKE-GLADSTONE

2019 Financial Plan Public Hearing

Wednesday May 15, 2019

7:30 pm

Gladstone Municipal Office

Council will provide an overview of the proposed 2019 Financial Plan followed by a forum for questions and comments from the public. Copies of the proposed financial plan are available upon request at the municipal office. Questions and remarks may also be directed in writing to Coralie Smith, Chief Administrative Officer or through email at info@westlake-gladstone.ca.

Langruth Spring Clean-Up

Spring Clean-Up Day will be on **Friday, May 10th, 2019.**

- **Branches must be tied into bundles.**
- **Yard waste to be in paper yard bags.**

Please have your Yard Waste at the curb before 7:00 am to ensure pickup.

Grass Maintenance on Boulevards

The Municipality of WestLake-Gladstone would like to remind residents that land owners and tenants in urban areas are responsible for maintaining the grass on boulevards and ditches on the public property adjacent to their private property. The grass must be mowed up to the street, including all boulevards and ditches.

Langruth Recycling

Recyclables no longer need to be sorted at the recycling bins in Langruth. All materials except glass can be placed in the bins co-mingled. Glass must be placed in designated area beside the recycling bins.

Recycle used oil, filters, antifreeze and containers at the Eco Centre located at the Langruth Waste Disposal Grounds. For more information on this program contact the Municipal Office or visit the MARRC website, www.usedoilrecycling.com.

Langruth Waste Disposal Grounds Summer Hours

Summer Hours at the Langruth Waste Disposal Grounds will come into effect on May 18th.

**Tuesday: 10 am - 12 Noon &
1 pm – 6 pm**

Thursday: 1 pm - 5 pm

Saturday: 9am – 12 Noon

Langruth Garbage Pick-Up: **Tuesdays 9:30 am**

Please have your waste at the curb before 9:30 am on Tuesdays.

Call the Municipal Office for more information.

Gladstone Music & Arts Festival News

The 2019 Gladstone Music & Arts Festival once again provided students with an inspirational and highly educational experience. Held in April, the festival included Band, Violin, Speech Arts, Choral, Vocal Solos and Piano. A number of students from the Langruth area participated. Congratulations to all the performers on your successful performances.

Grade 6 students performed with the Beginner Band and Grade 7 & 8 students performed with the Junior Band. Band students also performed with small groups or solos. Adjudicator Annette Hay provided constructive feedback on all of their performances.

Millie Hildebrand was the Speech Arts, Choral and Vocal adjudicator. Local students, Tyrell Czeranko, Rylee Kennedy, Amy-Anna Houle, Tara Beaulieu, Kelson Houle, Jared Starr, Stacie Czeranko, Madi Kennedy, Regan Teichroeb, Juliene Evans and Madison Teichroeb performed poetry readings, prose readings, prepared speeches and/or vocal solos. The Langruth Grade 3-5 class also performed as a Speech Choir.

The festival wrapped up with Eleanor Epp adjudicating the Piano sessions. Madison Kennedy, Regan Teichroeb, Lauren Armstrong, Taylor Kennedy and Madison Teichroeb all received helpful feedback on their piano selections.

Thank-you to everyone who helped plan the festival and/or volunteered to work at the festival. It is the dedication of community volunteers which ensures the festival runs smoothly.

The festival committee is happy to continue to offer opportunities for young people and adults to enrich their skills and further develop an appreciation of the arts. The committee always welcomes new members. New members ensure the continued operation of this long running festival. Please consider attending the next committee meeting.

**Gladstone Music & Arts Festival Meeting
Tuesday, May 14th 2019**

7:00 pm

**Kinley-Thomson Accountants Boardroom
17 Dennis Street, Gladstone**

Fifty and Beyond News

The Langruth Seniors held their monthly business meeting on April 3rd at the Langruth Municipal Office with four members present. Harry Lazor greeted everyone and asked for the various reports. In our Cheer Report two birthday card were sent out.

We received an e-mail from Marion Single telling us that the Central Plains/Northwest Region meeting in Amaranth was changed from May 6th to May 7th. Ann Craik will be driving our group to the meeting. Harry also told us about the meeting in Portage. It was held at the Hermon Prior Centre. Quite a few people from various clubs attended. They discussed some of the changes and how they will affect our clubs.

Our club hosted the Partner Cribbage Playoffs of the Seniors Games in April. There were 30 teams playing. I joined Isabelle Dixon from Plumas to make up the final team. The first place winners were Isabelle and myself. Second place was won by Lois Wilson and Emily Thompson. Unfortunately the winners won't be able to attend the Senior's Games but there will be others to fill the spots. The Senior's Games are in June in Swan River.

The Partner Cribbage Day was a good day all told. We served a lovely lunch of soup and open-faced sandwiches. We also served coffee and cookies for a morning snack. We certainly enjoyed hosting the event and I think everyone that came enjoyed their day too.

We had our monthly supper on April 25th with a number of people in attendance. Everyone noticed that the inside of the hall was in the process of being painted. It certainly looks nice and freshened the place up. There is a little more to do to finish up which I assume will happen in the next little while. The hall is available for rent for various functions. It is nice and spacious if you need a little more room for your function. Sheila Olson looks after the hall bookings.

We have two more monthly suppers before the end of the season. The next supper will be on May 23rd. We hope that as many as possible come out for supper and a visit. Everyone is welcome to attend.

Until we talk again I hope you have a good spring. Talk to you in a month.

This is Teri Soos

Einarson Park Campground

Einarson Park Campground is situated within the Town of Langruth. Accommodates both RVs and tents. A number of sites have electrical hook ups.

No reservations required. Available on a first come, first served basis.

Nature Notes

Submitted by Raymond O'Connor

Black-Capped Chickadee

A common visitor at feeders in the northern US and Canada, south of the tundra, this bird leaves its nesting ground in woodlands areas during autumn and feeds in suburban areas. The Black-Capped Chickadee rarely moves beyond the southern edge of its breeding range, but occasionally it will irrupt southward in large numbers during autumn. It occasionally hybridizes with Carolina Chickadee, in the overlapping zone, producing intergrades in size and song. It is the provincial bird of New Brunswick.

Black-Capped Chickadees live in pairs and form small groups after nesting season. They often join mixed foraging flocks with other species. They are tame. They forage among twigs and branches under bark, often clinging upside down, for insects and insect eggs. They eat seeds from conifers, bayberries and other fruit. They hold large seeds between their feet on the perch and pound the seed coat open with their beak. In winter, they eat mostly seeds. They feed on suet and sunflower seeds. The incubating female hisses like a snake when its nest cavity is disturbed.

The nest is lined with vegetation, moss, feathers, hair and insect cocoons in deciduous trees, conifers, snags or nest boxes. It is 1 – 12 metres above ground and is built by both sexes.

Incubation is 11-13 days by both sexes. The young are brooded by the female and remain in the nest for 14-18 days. They are fed by both sexes. There is 1 brood per year.

Flower Arranging Seminar

The Langruth Fall Fair is hosting a Flower Arranging Seminar in July.

You will need to bring flowers and a container.

For more information and to register call Tamara at 204-445-2141 or Diana at 204-445-2008.

The Highway 50 Players Perform in Langruth

A Dessert Theatre was held on April 27th at the Langruth Community Hall. The Highway 50 Players, directed by Terry Dumelie, performed *A Penny Saved*. The proceeds from the ticket sales will be put towards the Langruth Community Hall. Thank-you to all those who donated desserts and to those who bought tickets in support of this fundraiser.

Set in the American ol' West, dastardly villain Fourberie Blackguard (played by Philip Thordarson) devised a scheme to swindle the recently widowed Mrs. Joskin Rootstock (played by Grace Johnson) and her family. Of course, the poor widow didn't have the money, leaving her no choice but to turn over the deed to the ranch. Luckily the three Rootstock daughters weren't willing to give in so easily. The chase was on when young Penny (played by Regan Teichroeb) ran off to "the secret hiding place" with the deed. Blackguard tried every trick in the book to get the deed but fortunately, the not-so-heroic Deputy Dewey Dauntley (played by Jay Foster) finally came to the rescue to help the Rootstock family and won the heart of their housemaid Biddy (played by Madison Teichroeb).

L-R: Jay Foster, Michael Maruschak, Regan Teichroeb, Donald Toms, Michelle Teichroeb, Valerie Pauwells, Grace Johnson, Madison Teichroeb, Philip Thordarson, Tim Klein.

Pine Creek School Division Hires Superintendent

Source: PCSD Announcement

The Board of Trustees for the Pine Creek School Division is pleased to announce the pending appointment of its Superintendent, Ms. Donna Miller Fry, B.Sc. (Hons), B.Ed., M.Ed, who will begin in her new role in the Division during July 2019.

For the past two years, Ms. Fry has been the Assistant Director of Education in Newfoundland and Labrador. Prior to working in Newfoundland, she spent numerous years as a teacher, principal and assistant principal. Ms. Fry was also an Education Officer with the Curriculum and Assessment Policy Branch for the Ontario Ministry of Education.

Ms. Fry and her husband will be making the move to Manitoba in the coming months. The Pine Creek School Division Board would like to welcome Ms. Fry to the Pine Creek School Division community.

Cake, Coffee, and Information

News From Here, There and Anywhere

Reporter Teri Soos

Hi Everyone! It's the first of May and time for the news. May came in bright and sunny but it sure has been cool ever since. There are some people out seeding but it is still cool for it. Thank goodness we are not having the floods they are having in eastern Canada and parts of the US, but we sure could use some moisture. Maybe I should wait for that request until the seeding is finished.

Unfortunately some people down east are getting flooded for the second time. Some people don't believe that climate change is affecting our weather but it certainly looks like it. Some people have decided to move away from their area because one can only rebuild so many times. Our sympathy certainly goes out to them.

The Easter season has come and gone. I hope that everyone got the chocolate they were hoping for. I hope that mothers with small children are only giving them a little at a time. There certainly were a large variety of treats in the stores. I didn't buy chocolates this year but there would have been a lot to choose from if I had done so. It was a cool Easter season. They say if it is windy on Good Friday it will be windy for the next 40 days. It certainly has been cool and windy.

I am hoping that we get some moisture so there will be lots of wild berries this year. I was speaking with my sister in California. They hadn't had rain for the last number of years. Last year they finally had lots of rain. Her orange tree always does better with moisture and has produced quite a bit of fruit this year. I hope that our wild berries do the same.

I can't say that I have seen any crocuses. I don't know if they haven't come due to the temperature or if they were just small because it is so dry. I will be watching for the lady slippers too.

As you all know we will be having the Langruth UCW Mother's Day Tea on May 11th. Hopefully as many as possible will come out and enjoy the afternoon with us. There will be the usual plant table, bake table and luncheon later. It is a nice afternoon.

The Langruth Dessert Theatre with the Hwy 50 Players was held here in town on April 27th. It was a very good play and the varieties of desserts were delicious. I noticed that there were a few less actors in the play this year. New this year was the number of scene changes. They recreated the scene a number of times to fit the story. Everyone thought it was very well done.

On May 31st the Langruth Drama Room will be putting on their play. They practice once a week here in Langruth with an instructor from Portage. We are looking forward to their version of *Toy Story*. The Langruth BOSS Dance Academy will also be performing during the intermissions. The dance instructor is also from Portage. Watch for more information about getting tickets. We hope that as many as possible come out to see what the young people have been working on.

I see that a number of people that were away for the winter are now home for the summer. We hope you all had a good winter. It sounds like the weather down south was quite a bit cooler than usual.

The ice hasn't completely gone off the lake yet. The ice was very thick but it doesn't usually go before now. Soon enough our summer fishermen will be able to get out onto the lake again.

Before long our hummingbirds will be here again. I like to hang out my hummingbird feeders before the birds arrive. They seem to stick around until at least September if they know the feed is there. Unfortunately the mosquitoes and ticks will come too. Not much we can do about that but deal with it as best we can.

I'm sure all the yard sales will be starting soon. Let's go around and see what everyone is getting rid of. Maybe you will find something you really need.

We would like to wish everyone not feeling well a speedy recovery. There a number of people that suffered from the flu. I am hoping that they are all over it now. Our nurse practitioner at the Mobile Clinic has broken her leg and we haven't had the clinic in town regularly lately. We hope that Twyla is on the road to recovery.

News From Here, There... con't

We also send best wishes to anyone that has had birthdays or anniversaries to celebrate. We hope everyone had a good day and made many happy memories to look back on.

Some people have lost friends and family lately. To all these families we send our deepest sympathy and hope that memories of happier times help them through the coming sad days.

It is always nice to see John and Ann Craik back in town to visit with family. We hope that they enjoy their time while they are here.

I heard on the radio that there have been a number of thefts in Portage. It is really too bad that people have to deal with things like that. Let's hope that it quiets down soon.

Since spring is here we hope that no one will be careless with fire. There was a big fire in the marsh by Lake Manitoba. It burned from Sandy Bay to Big Point. Firefighters were kept busy for a while protecting residents in Big Point. We are fortunate to have dedicated volunteers protecting us from fire. It is so dry it is important not to be lighting any fires at this time. The municipality has issued a fire ban and we hope that everyone adheres to it for the safety of all our friends and neighbors. We are to call 911 immediately in the event of a fire emergency.

It is time to start getting out in the gardens. We hope that everyone is ready for the spring and summer seasons.

Until we talk again,
This is Teri Soos

Volunteering

Source: <https://www.volunteerscotland.net/for-volunteers/why-volunteer/benefits-of-volunteering/>

Volunteers have always been at the heart of small community activities, events and organizations. Many volunteer hours are donated to provide the many services and opportunities we have! Thank you to all of you who are and have been so generous with your time!

Benefits of Volunteering

- **Gain confidence.** Volunteering can help you gain confidence by giving you the chance to try something new and build a real sense of achievement.
- **Make a difference.** Volunteering can have a real and valuable positive affect on people, communities and society in general.
- **Meet people.** Volunteering can help you meet different kinds of people and make new friends.
- **Be part of a community.** Volunteering can help you feel part of something outside your friends and family.
- **Learn new skills.** Volunteering can help you learn new skills, gain experience and sometimes even qualifications.
- **Take on a challenge.** Through volunteering you can challenge yourself to try something different, achieve personal goals, practice using your skills and discover hidden talents.
- **Have fun!** Most volunteers have a great time, regardless of why they do it.

BBQ FOR RENT

Planning a special outdoor function or party and need a larger BBQ?

**Commercial BBQ with
pancake grill for rent.**

\$50.00/day
(plus \$40.00 damage deposit)

The BBQ is owned by the LICDC and is rented out with two full tanks of propane. The damage deposit will be returned when the BBQ is returned with two full propane tanks, has been cleaned and is in good working condition.

**Call Phyllis at 204-445-2323 for more
information or to reserve the BBQ.**

STARS Air Ambulance Provides Vital Service

When a life is on the line and every minute counts, STARS is there for Manitobans.

The family of Beckham Koscielny discovered the importance of the immediate access to critical care and rapid transport STARS provides in April of 2013 when the Neepawa boy fell ill when he was just six-weeks-old.

STARS was dispatched to the Neepawa Hospital and transported Beckham to the Children's Hospital in Winnipeg where it was later discovered he was suffering from a serious heart condition.

Thanks to the work of the medical professionals in Neepawa and Winnipeg as well as the critical care and rapid transport provided by the STARS crew that day, Beckham had a positive outcome.

Hundreds of times each year STARS is called upon to help the next Beckham, whether it's a transport between hospitals or from an accident scene alongside the highway.

But we can't do it alone.

With 632 missions in the 2018-fiscal year, we know that the need for the services STARS provides remain as vital as ever. We also just experienced one of our busiest months on record with 76 missions in April.

By supporting STARS you are helping to ensure the next time a patient needs us we'll be there. You are helping to ensure our crews have the best possible equipment and training available to them.

You are helping us fight for life. For more information please <https://www.stars.ca/>.

Manitoba's K-12 Education Review

Source: <https://www.edu.gov.mb.ca/educationreview/>

The Manitoba Commission on Kindergarten to Grade 12 Education is asking for your thoughts on the future of our education system. Your views and opinions will be an important part of the commission's comprehensive, independent review of our province's education system. This is the first review of its kind in decades.

Students, parents, educator, school boards, academics, Indigenous organizations, la francophonie, municipal councils, professional organizations, the business community and the general public are invited to participate in this review. The Commission is seeking comments on a wide range of topics in the Kindergarten to Grade 12 system, including:

- Student learning
- Teaching
- Accountability for student learning
- Governance
- Funding

The feedback will help the Commission develop its recommendations. Those recommendations will help create an education system that achieves better outcomes for students and reflects the economic and societal needs of Manitobans, both today and in the future.

Manitobans can participate in the education review consultation process by submitting a written report, attending an interactive public workshop, presenting a brief before a public hearing, or completing the online survey.

More information on the Education Review can be found on the Manitoba School Boards Association website and the Manitoba Government website.
