Municipal Election

Wednesday, October 26, 2022
8:00 am – 8:00 pm

Municipal elections are an opportunity for Manitobans to participate in building strong, healthy, and sustainable local governments. Make sure to vote and become involved in your community's future.

Visit <https://mbvotes.ca/> for election results.

Polling Stations

An advance polling station will be open on Tuesday, October 18th, 2022 at the WestLake-Gladstone Municipal Office at 14 Dennis St. East, Gladstone between 8:30 am and 4:30 pm.

Election day polling stations will be open on Wednesday, October 26th, 2022 between 8:00 am and 8:00 pm at:

Poll #1 - Plumas Senior Citizen's Centre - 102 White Street E., Plumas MB for residents/landowners north of Road 85 N between west municipal boundary and West side of Road 61W

Poll #2 – Langruth Community Hall - 102 Main Street N., Langruth MB for residents/landowners north of Road 85N between east municipal boundary and East side of Road 61W

Poll #3 – Stride Hall - 79 - 5th Street, Gladstone MB for residents/landowners south of Road 85 N.

Voting Information

Each person voting may select one candidate for the position of Mayor and upto a maximum of 6 candidates for the position of council. Ballots with fewer than allowed votes are still considered valid. For example, if a person chooses to vote for only 3 candidates the remainder would remain blank.

If you are unsure of where to vote or have questions regarding the election please call Sheri-lyn Gregoire (SEO) at 204-385-2332 Ext 6.

NOTICE OF ELECTION

Notice has been given that a vote of the Municipality of WestLake-Gladstone will be taken to elect a Mayor and 6 Councillors at Large from the following nominated candidates:

For the Office of Mayor:

- ☐ **Meloney, Darcy**
- ☐ **Shipman, Daryl**

For the Offices of Councillor:

- ☐ **Beuckert, Kelvin**
- ☐ **Bjarnarson, Randy**
- ☐ **Callander, Richard**
- ☐ **Douglas, Tyler**
- ☐ **Fehr, Jeff**
- ☐ **Ferguson, Mark**
- ☐ **Lambert, Chas**
- ☐ **McKinley, Robert**
- ☐ **Poschenrieder, Doug**
- ☐ **Pubben, Frank**
- ☐ **Sellers, Nicole**
- ☐ **Stanley, Darrin**
- ☐ **Waldner-Redekopp, Amy**
- ☐ **Wilson, Melanie**

Nature Notes

Submitted by Raymond O'Connor

Great Egret

The largest white egret found over most of its range can be distinguished from other white egrets and juvenile herons by its size, yellow bill and black legs and feet. This tall, slender-necked bird develops long trains of lacy plumes on its back that extend beyond the tail during breeding season and its yellow bill appears more orange in colour.

The Great Egret prefers to feed in open areas from salt marshes to freshwater habitats. It is diurnal in its activities; it flies singly or in groups to communal roosts in trees for the night. It feeds on a wide variety of small aquatic animals and animals found in wetland environments, from fish, to frogs, snakes, crayfish and large insects.

The Great Egret is colonial, usually with other species of herons, egrets, ibis and other similar species.

The nest is made of sticks, unlined or lined with fine material, in a tree or shrub. It is usually 3 – 12 metres above ground and is built by both sexes. The young stay in the nest for 21 days. They are fed by both sexes. There is one brood per year. Incubation is 23 to 26 days.

This bird was decimated by plume hunters in the late 1800s and has been protected since the early 20th century. In recent decades the breeding range has expanded northward.

With full protection in North America, the species is increasing. Still, factors such as polluted waters, coastal development and draining or wetlands negatively impact egrets.

Langruth Holds the 7th Annual Harvest Festival

On October 1st around 300 children and adults gathered at the Langruth Sports Grounds for the 7th Annual Langruth Harvest Festival. Families from the local area and from neighboring communities enjoyed the fall themed activities and a meal from the canteen. It was nice to once again include many of the favorite activities that couldn't be included under the public health restrictions during 2020 and 2021.

The weather was cool but that didn't seem to slow down the children who were excitedly running between the various activities.

The signature large round hay bale jumping area was always busy with children jumping from bale to bale. The children also enjoyed two large bouncy castles provided by the Municipality of WestLake-Gladstone. Thank-you to the team of 'muscle' for setting up and taking down the bouncy castles. It is a big job.

It was great to have Don back with his Small Animal Show where everyone could visit and feed the animals. The weather was perfect for the horse drawn hay ride around the Sports Grounds with Allan Krieser.

Once again Kory and Shay Jonasson with Kinosota Game & Fish Association provided an archery demonstration. It was a great opportunity for children and adults to try the bow and arrow. Thank-you to Allan Ewen for bringing the Closest To the Pin Golf Challenge back to the Harvest Festival. Allan ran this station where both adults and children could try their luck at landing their golf ball closest to the pin.

The festival isn't complete without the Old-Fashioned Races. The children received small prizes after each race.

Everyone was invited to participate in a Scavenger Hunt and Trivia Game. Painted rocks were hidden around the grounds. Each rock included answers to Scavenger Hunt questions. The trivia questions tested everyone's 'fall' and 'rural living' knowledge.

Lana Armstrong and Janie Ferguson kept a lot of little hands busy at a crafting station where the children could make an art project with various seeds. Thanks to Amanda Scora for her artistic ability in giving the children face paintings.

Many kept an eye on the Cow Paddy Bingo Calf. At 2:00 pm 16 bingo squares were auctioned off by auctioneer Tyler Slawinski. Once the auction was finished the calf was moved into the bingo pen and everyone waited in anticipation to see which square the calf would drop a 'paddy' on first. It took until about 4:30 pm to be able to announce that Hudson Hall and Alexander Shewchuk had bought the lucky square and took home \$480. Thank you to everyone who bid and purchased bingo squares.

New this year was the *Tug A War With The Fire Truck Challenge*. Everyone was certainly curious how many people it would take to pull one of Lakeview Fire Departments trucks, which was naturally full of water making it quite heavy. A great team of 'pullers' did manage to pull the truck. Not surprisingly, there were a few traditional tug a wars afterwards.

Tickets for the 2022 Harvest Festival Raffle and Last Ball Standing Bingo were available. Proceeds from the raffle, the bingo games, canteen and silver collection are used to fund the festival rather than charging an admission. Any further proceeds are put towards the 2023 Harvest Festival and other community projects.

The draw for the Last Ball Standing Bingo was made around 5:30 pm with Rylee Kennedy having chosen the last ball to be drawn out of the bingo machine. From the raffle, The Weekend Get Away Package was won by Hilary Malacrida, the iPad Package was won by Carol Roulette and the Backyard Furniture Package was won by Laura Sellers. Congratulations to the winners and thank-you to everyone that purchased tickets.

The canteen featured pulled pork sandwiches, hot dogs, poutine, french fries, homemade pie and other treats. The canteen seemed to be quite busy most of the day. Thank-you to the canteen volunteers – they were kept busy.

Thank you to everyone that contributed to the Langruth Harvest Festival in any way. The commitment of community volunteers makes this event possible each year.

Thank you to all those who attended. It was a wonderful community gathering. Watch for more Harvest Festival fun next September. If you are interested in helping plan the 2023 Harvest Festival please contact Bobbie Czeranko, Clorissa Egilson or Michelle Teichroeb.

Fifty and Beyond News

Reporter: Margaret Whiteley

The Langruth Seniors held a business meeting on September 7th, 2022. Harry Lazor welcomed everyone and called the meeting to order at 2:00 pm.

Last month's minutes were read and adopted by Margaret Whiteley, seconded by Ann Craik.

The Cheer Report was given by Ann Craik. One sympathy card, two anniversary cards and one birthday card were sent out during the month.

No correspondence was received.

After many years of dedicated service we have to report that Chairman, Harry Lazor, received Emily Thompson's retirement notice. We wish her well for the future. Emily's position of Treasurer is being discussed and planned for moving forward.

The hampers and raffle was discussed. It was decided to pass on it this year.

Meals for October and November were to be discussed with fellow seniors at the meal on September 28th.

The meeting was adjourned by Margaret Whiteley at 3:15 pm, seconded by Ann Craik.

Dana Gardiner Inducted into Hall of Fame

The Heartland Rodeo Association held its finals weekend at Austin, Manitoba on September 10th & 11th. At the awards banquet, Dana was inducted to the Association's Hall of Fame.

Dana started her rodeo career when she was 14 years old. She joined Heartland Rodeo Association in 1998 and has been a member ever since. She has competed in ladies steer undecorating, junior steer riding, breakaway roping, barrel racing, goat tying and team roping. She has qualified for finals every year in at least 1 event.

Dana has served on the Board of Directors for many years and was awarded Cowgirl of the Year twice. Dana is a strong competitor, who is always willing to help out, whether it be showing new competitors the ropes, pushing calves or helping in the arena.

Dana was presented this award by her sister Holly and her nephews Jase and Hunter.

News from Here, There and Anywhere

Reporter: Teri Soos

Hello there. There has been a little rain since we last spoke. The grass is greening up nicely. The weather has been pretty good for livening up the grass but I imagine it put the combining to a stand-still for a few days. I've heard that some crops are quite good and others are not, which is not unusual. I imagine that a lot of people have had to use their dryers to get the crops dried down before storing them.

I heard that most people have had pretty good luck in putting their hay up for winter feed. Now it will need to be hauled home and stacked. I think most people will have enough hay to see them through the winter. I'm sure there will be enough water as the dugouts are still quite full from all the earlier rains.

I don't have a lot of news to share this month. I heard that the Harvest Festival was held on October 1st with a large crowd attending. There were a lot of the usual activities but they didn't have the vendors and market area this year. The children always love jumping on the large hay bale structure. There was a raffle as a fundraiser for the event with three great prizes, a weekend in Winnipeg, an iPad and some backyard furniture. The canteen was running with pulled pork sandwiches, poutine, hot dogs, french fries and homemade pie on the menu. The weather was a little cool but everyone enjoyed the day.

I heard that Murray Johanson had a threshing day at his farm on September 10th. I hope to hear more about their special day.

Best wishes to anyone that had a birthday or an anniversary lately. It is nice that everyone can celebrate their special occasions with their family and friends again. The public health restrictions over the last couple years sure made that difficult.

Marsha and Ernie Soos enjoyed a family visit in August from their daughter Angie and husband Brent of Selkirk, daughter Carol and husband Rick and their other daughter Cathy, all of Sioux Lookout. The family celebrated Ernie and Marsha's anniversary which is in July and Ernie's birthday which is in October. They are looking forward to another visit from Angie and Carol in October.

We heard that Neville Skanderbeg passed away on September 24th. Many will remember him as he married Sharon Hyndman of Langruth. He and his family lived on a farm just off the Lone Spruce Road near Waldersee. He had been living here in Gladstone. We will certainly miss him. Deepest sympathy to his family and friends and anyone else that has lost family or friends lately. We hope that better days come.

Watch for news from the Grace Lutheran Church and Langruth United Church about a possible Dessert Night and Talent Auction. I believe that I heard they were considering holding a fundraising night similar to last year.

We are still looking for old pictures from the area so we can do some guessing who people are. It is fun to have a little contest to see how many people we know.

They say it is going to be a frosty winter with lots of snow. I hope there isn't as much ice as last year but as they say 'you can't have everything'.

Until we talk next time,

This is Teri Soos

PAID POLITICAL SUBMISSIONS

The views and opinions expressed are solely those of the authors and do not necessarily reflect the views of the Langruth Views Community Newspaper or its volunteers.

DARYL SHIPMAN, Nominee for Mayor

Fellow citizens and ratepayers, my name is **Daryl Shipman** and I am running for the office of Mayor for the Municipality of Westlake-Gladstone. Most of you know me but there are many residents new to our municipality and those I haven't met over the past 43 years that my family and I have lived in Gladstone.

To do the job as mayor requires excellent leadership and administrative skills, as well as the ability to communicate clearly and effectively with; municipal staff and workers and especially the public, all in a reasonable time frame.

As a teacher and principal (B.Ed, M.Ac), I was responsible for administering over Gladstone Elementary (K-8), Bloomfield and Riverdale Colony Schools (K-12), This included setting budgets, ordering materials/supplies, management and evaluation of all personnel, HR issues, following all Provincial assessment guidelines and reporting requirements both financial or educational and working with numerous services and agencies. Most importantly it demanded regular and open communication with parents whether through the Parent Councils or direct personal contact. Throughout my professional career, I chaired two K-8 Science Curriculum Revisions and was seconded as a Science consultant by the Dept. of Education. I hold numerous certificates for courses involved with dealing with peers, students, parents, and the public and media.

Outside of education, I have been hired, elected or appointed for several Provincial and local organizations. These include: Regional Director – Manitoba Wildlife Association, President - Gladstone Kinsmen Club, Treasurer – Kin Canada District II - Manitoba and NW Ontario, President- Royal Canadian Legion 110, Executive Director of Beautiful Plains Community Foundation, and also worked as a farm hand and seasonal worker for Crop Production Services.

Currently I am: President – Gladstone Game & Fish Association, Manitoba Hunter Education Instructor, Zone 23 Commander for Royal Canadian Legion, and Provincial Board Appointee- Whitemud Watershed Association. As one can see I am very qualified to hold the office as Mayor. I have given decades to leading and helping people in a number of organizations.

I believe it is vitally important for the operations and workings of the Mayor and Council and the Municipality to be transparent and open to public scrutiny. Municipal matters are confidential until discussed at a meeting open to the public. But dissemination of information needs to be timely, allowing consultation with ratepayers before important decisions affecting the municipality are made. With this mind, it is also important that all of the municipality is able to be heard. Regional representation on council will allow this to happen. As Mayor, I would entertain council investigate returning to a ward system or some other form for this to occur.

As Mayor, I will be part of a team that will develop and evaluate policies and programs for the municipality. Our job is to ensure that services are delivered to residents and property owners in the most cost effective and efficient method possible. As part of Council we are responsible for our actions, decisions, and policies and are obligated to report, explain, and be answerable for resulting consequences.

I am willing to govern the Municipality of Westlake-Gladstone responsibly with openness, transparency and most of all integrity. I want to rebuild the trust and credibility in the Municipality of Westlake-Gladstone in all the ratepayers, businesses, and stakeholders living and working in and around our Municipality.

I ask that you support me on October 26th and cast your vote for **Daryl Shipman for Mayor**.

The Time for Change is NOW!

RANDY BJARNARSON, Nominee for Councillor

Hi I'm Randy Bjarnarson running for council for the third term. I live on the family farm in the Steelebridge district about 5 miles east of Gladstone. My goals on council, if re-elected, are to:

1. Continue to find solutions to reduce the flooding that goes on around the Big Grass Marsh and Deadlake Drain area.
2. Focus more on our roads, as this year they have deteriorated substantially due to the weather and other factors.
3. Keep moving forward on getting rural water to the rest of our municipality.
4. Developing our smaller communities.

These are just a few things I've been working on in the past 2 terms.

FRANK PUBBEN, Nominee for Councillor

My name is Frank Pubben. I am running as candidate for council in the Municipality of Westlake-Gladstone. I have lived in the Plumas area basically all my life. I had a trucking business and I had a farm. I am now retired from farming and trucking.

My goal is to see that Municipality of Westlake-Gladstone has accountability, no conflict of interest, that the high rate of employee turnover is investigated and to address how the drainage is done and how it is charged to all the rate payers and why there is an added grader surcharge when we already pay taxes.

I would like to see the Ward system brought back in order that all areas are represented.

I would like to see rate payer confidence return because of good governance.

I would like to see common sense and efficiency return.

RICHARD CALLANDER, Nominee for Councillor

My name is Richard Callander. I am running for the position of Councillor in the Municipality of WestLake Gladstone Election. I have resided in the Langruth area all my life. I was a councillor for eight years with the Rural Municipality of Lakeview. I realize the importance of local representation for each area. I believe the following is the way a council should operate:

- High level of accountability.
- Allocated areas for councillors.
- Efficient use of ratepayers' dollars.
- Timely follow-up when contacted by ratepayers.
- Consideration of input from ratepayers.

If elected I will do my best to follow these guidelines and to make sure every ratepayer is treated equally.

I hope to see you at the Live Public Forum on October 12th at 7:00 pm in Gladstone at the Stride Hall.

Thank you,
Richard Callander

DID YOU KNOW

The Rural Municipality of Westbourne was incorporated on December 1st, 1877.

The Town of Gladstone was incorporated in 1882.

The Rural Municipality of Lakeview was incorporated on December 13th, 1909.

The Municipality of WestLake-Gladstone was incorporated on January 1st, 2015.

CHAS LAMBERT, Nominee for Councillor

Hello, my name is Chas Lambert, and I am running as a candidate for the RM of WestLake Gladstone Council. I felt I should introduce myself to the folks in the RM, so you know a little bit about me and what I am hoping to do.

I am 42 years young, raised in the RM on a small farm just outside of Westbourne. I grew up with a love for animals and still to this day have a large collection of critters and of course my horses. I moved away from Westbourne for school which led me to a few different careers living in Manitoba and in Alberta. I returned once again to Westbourne about 8 years ago, I knew I would always move back as this is home.

I have worked in the agricultural industry all my life, working for Ag Canada in Brandon, BASF in Alberta, Ag West Portage, the Provincial Ex and the Keystone Centre in Brandon, Calnash Ag Events Centre, Alberta, FP Genetics Alberta and Manitoba and currently for Shur-Gro Farm Services in Westbourne.

In those roles I have learned how a Board of Directors conduct business, how meetings

are to be run and the importance of policies and procedures to be in place for management to follow.

I have also spent many volunteer hours sitting on boards in my personal life. Currently, I am finishing my second term as president of the Crocus Cowhorse Association of Manitoba. I have also held a seat on the Gladstone Ag Society, Westbourne Community Club, Manitoba Gymkhana Rodeo Association, and have been a 4-H Member and Leader.

Being back in the RM for the past 8 years I have seen some changes and actions that have concerned me. I am a strong believer "if you want to see change be part of the solution".

- ✓ I would like to see the wards re-established in the RM, so there are representatives from all areas.
- ✓ I would like to see local contractors and suppliers given equal opportunities to be awarded contracts - keeping our business local.
- ✓ I would like to see better reporting and transparency of Council transactions – some stronger communication to the people.
- ✓ Accountability for actions taken, mistakes are made and how they are resolved
- ✓ A solution to staff turnover, if employees are happy, they take pride in their employment.
- ✓ Roads and Infrastructure maintained to a reasonable level.
- ✓ Respect and Trust for Council, Employees and Constituents, it is a 2-way street.

If Elected to Council I will do my part to best represent you and be open to hearing from you and what the needs are from your area.

If you have questions or would like to reach out my cell number is 403-783-9730.

On October 26th, 2022
Please Vote:
Chas Lambert for Councillor

DOUG POSCHENRIEDER,
Nominee for Councillor

I am Doug Poschenrieder, I am seeking a seat on the council for the RM of Westbourne. I grew up on our family farm in the Westbourne area, raised my family here, and actively farming with my son and grandsons.

After 45 years of managing and operating my family farm, and having a strong community presence, I feel I would be a great representative for the RM of West-Lake Gladstone municipality.

Things I envision for our municipality would be the return of wards, and thus providing better representation within all areas of the Westlake-Gladstone area, having all roads within the municipality maintained correctly, cleared within a timely manner, especially in the winter months. Graded and graveled during the spring, summer and fall months.

After asking for road maintenance in the Westbourne area it took me 6 months to see some results, this is unacceptable, and a huge issue for me.

Also, I, as others, am wondering what happened to our municipal finances and would like to get some answers, promptly, and to find out who's responsible, and see that this does not happen again.

On October 26th, please vote for Doug Poschenrieder.

MELANIE WILSON, Nominee for Councillor

My name is Melanie Wilson, you should have recently received a mail out flyer from me. I am currently running for Councillor in the Municipality of Westlake-Gladstone. I have been a Paramedic for 20 years and am currently transitioning into a laboratory position in Gladstone. I have 3 children that attend Gladstone Elementary School. My home is in Gladstone. Although the current electoral vote is at-large, as stated on my political flyer, I feel that a Ward system better represents the people across our Municipality and would aid in reaching, area specific, requirements. For 11 years, I have been an active member of my community, participating on many boards with multiple community members. My goals include engaging with the ratepayers to solution the issues that concern them specifically. Please don't hesitate to contact me if you have anything you would like to discuss. MelanieL.Wilson@outlook.com

Did you know...
There are 137 incorporated
municipalities in Manitoba.

ON OCTOBER 26, 2022

VOTE

AMY WALDNER - REDEKOPP

"Transparency is a fundamental element of abolishing corruption. Transparent governance is important to local governments and the communities they serve, because corruption threatens good governance, leads to the misallocation of resources, harms public and private development, and distorts public policy." – The International City/County Management Association.

My name is **Amy Waldner-Redekopp** and I am excited to be a candidate in the upcoming election. While voting, please consider the following:

My Political Belief System:

- Lawful decision making as legislated under the Municipal Act.
- Capital planning must consider the relationship between global economic circumstances, the potential recession, and tax payer's ability to pay under economic stress.
- Equal representation for all communities by re-evaluating the implementation of the ward system.
- Prioritizing the human connection between local government, front line staff, and rate payers.
- Keeping tax dollars in our communities by providing employment opportunities as opposed to replacing job positions with non-resident contractors.
- Prioritizing accountability, governance, and transparency by encouraging community members to participate in the political decision-making process, increasing awareness that public sector documents are available for public viewing, limiting "in-camera council sessions," and increasing frequency of public correspondence.

- Creating an environment where community members feel comfortable to safely express their concerns, compliments, and suggestions.
- Voting "no" to decisions that are unethical or in a state of conflict of interest.

Who Am I?

- Lifelong resident of Gladstone.
- Graduate of The University of Manitoba with a Bachelor of Science degree.
- Third generation municipal employee (resigned in 2019) who graduated from The University of Manitoba with a Certificate in Municipal Administration.
- Career strengths include fiscal management, administration, human resources, labour standards & human rights.
- I don't say "yes" to avoid difficult decisions / situations, and value opposing viewpoints & alternate thought processes.

As councillor, I will be the voice for those unable to speak. As councillor, I will be the ears that will listen to your concerns. As councillor, I will be the eyes that witness the administration of policy, procedure, and the adherence to the Municipal Act.

As councillor I will be involved in the process of making WestLake-Gladstone great again.

On October 26, for the success of our future, please vote for Amy Waldner-Redekopp.

Please contact me at 204.870.7346 / redekopp2014@outlook.com for further discussion.

Pine Creek School Division Announces Board of Trustees

Pine Creek School Division is pleased to announce that the following individuals will serve as school board trustees for a term of four years, effective October 26, 2022:

- Ward 1 – Marlene Craik by acclamation
- Ward 2 – Wilf Lehmann by acclamation
- Ward 2 – Stephanie Campbell by acclamation
- Ward 3 – Diedrich Toews by acclamation
- Ward 4 – Debra Barber by acclamation
- Ward 4 – Susan Voesenek by acclamation

In accordance with the Public Schools Act of Manitoba, the Board shall appoint trustees to represent the vacancies in areas for which there were no candidates / not enough candidates, which includes Ward 3.

- Ward 3 – Austin

Any resident of Pine Creek who is interested in filling this vacant School Board position is invited to submit a letter of application stating their interest along with an explanation why they would be a suitable candidate for the position. You need not to live in a specific ward to serve as their representative; you only need to be a resident of Pine Creek during the last six months, and a Canadian citizen.

Please submit the letter of application by noon on Monday, October 10, 2022 to:
