### Radar Speed Sign on Highway 50 Approaching Langruth

Source: <https://www.transcanadatrafic.ca>,

<https://www.radarsign.com/>

A radar speed sign has recently been located on Highway 50 just south of Langruth. Radar speed signs are interactive signs that display a vehicle's speed as motorists approach. The purpose of radar speed signs is to slow cars down by making drivers aware when they are driving at speeds above the posted limits. They can be used in addition to or instead of physical devices such as speed bumps and rumble strips.

Radar speed signs are often installed in areas where vehicles come in close proximity to pedestrians. The current speed limit on Highway 50 through the town of Langruth is 50 km/hr. It is important that drivers adhere to that limit considering that Langruth Elementary School, Lakeview Children's Centre, Einarson Park and the Purple Martin Park are all along Highway 50. There is also significant pedestrian crossing at MJ Stop & Shop and the Langruth Community Hall. The goal is for drivers to reduce their speeds through town to make the road safe for everyone.

Results show that with radar speed signs:

- Motorists slow down up to 80% of the time when alerted by a radar sign.
- Typical speed reductions are 10 – 20%.
- Overall compliance with the posted speed limit goes up by 30 – 60%.
- Radar signs are particularly effective at getting motorists driving 20 km/hr or more over the posted speed limit to slow down.

Box 82 Gladstone, MB R0J 0T0.**

Indicate "Food Cupboard" on the memo line.

## Happy Easter

Sunday, April 9<sup>th</sup>, 2023

## Gratitude

**From the east, the direction of the rising sun, we receive peace and light and wisdom and knowledge.**

**From the south comes warmth, guidance and the beginning and the end of life.**

**From the west comes the rain, purifying waters, to sustain all living things.**

**From the north comes the cold and mighty wind, the white snows, giving us strength and endurance.**

**We are grateful for the gifts of life.**

## Coffee and Dessert Night with Talent Auction Fundraiser

The Grace Lutheran Church and Langruth United Church held their annual fundraiser on March 13th, 2023 with about 30 people in attendance. This event was previously held in recognition of Shrove Tuesday.

Along with an evening of visiting with neighbors over coffee and a dessert, a wide variety of donated items were auctioned off by Tyler Slawinski in support of the two local churches. The auction items often sell for prices considerably above their value with the understanding that it is a fun way to make a yearly donation.

Auction items included a variety of casseroles, pizzas, soups, baking, desserts, eggs, meat packs and fish. Tradition held with the vinarterta (a popular Icelandic cake) being the top selling item. Approximately \$6700.00 was raised and will be shared between the two churches.

Thank-you to everyone who contributed in any way to this successful fundraiser.

### Municipality of WestLake-Gladstone Councillor Representation

The area from Road 63W east to Lake Manitoba and from Road 86N to Road 102N including Langruth is represented by:

**Richard Callander**

204-872-2622 or 204-445-2396  
rcallander@wcgwave.ca

### Langruth Post Office

Monday – Friday  
9:30 am – 5:00 pm

## Big Grass Community Foundation

Source: [www.biggrasscommunityfoundation.ca](http://www.biggrasscommunityfoundation.ca)

The Big Grass Community Foundation, Inc. provides a unique opportunity for residents to invest in their local community. Charitable gifts are received and invested so the income generated from those funds can be distributed annually back into the local communities of Plumas, Gladstone, Westbourne and Langruth.

The Big Grass Community Foundation makes grants annually to local organizations to support projects such as youth recreation programs, community playgrounds, skating rinks and skateboard parks, golf courses, local museums, community halls, and local special events.

The 2023 application window is now open and will close on May 4th, 2023. Applications are available online at:

[www.biggrasscommunityfoundation.ca](http://www.biggrasscommunityfoundation.ca)

## Big Point Boat Launch Update

Submitted by: Kory Jonasson, Kinosota Game & Fish Association

The Kinosota Game & Fish Association is in the process of building a new boat launch at Big Point (at the end of Road 95). The ground has been broken! The ramp was dug on the weekend of March 31<sup>st</sup> to April 3<sup>rd</sup>. Final construction will take place once the ground thaws.

Watch for an announcement for a grand opening once everything is completed.

## Ice Fishing on Lake Manitoba

For many, ice fishing is a favorite pastime through the winter. Many people from the local community and neighboring communities come to the Langruth area to access Lake Manitoba. Throughout the fishing season a number of fishing shacks could be seen from the lakeshore at Big Point (at the end of Road 95) as it is a popular access point. Some people parked at the lakeshore and traveled on to the lake with snowmobiles, quads or side-by-sides. Others drove out to their shacks on trails on the ice.

We hope that everyone enjoyed the ice fishing season and you were able to bring home some fish to enjoy.

## Langruth Skating Rink Finishes off a Successful Season

The 2023 Skating/Curling Season at the Langruth Skating Rink has come to an end. With cold temperatures continuing through March, the 2023 season was longer than usual. The rink was open 37 days from December 30<sup>th</sup>, 2022 to March 22<sup>nd</sup>, 2023.

Public Skating on Wednesdays, Fridays and Sundays was very well attended by both young people and families. Drop-In Curling was held on Wednesday nights along with Public Skating. On Fridays, before Public Skating, the Langruth Skating Club offered skating lessons and youth rec. hockey. At the end of February the Langruth Rec. Committee held the Annual Curling Bonspiel with 10 teams participating. It was certainly a successful season.

The canteen offered regular meals of burgers, chicken burgers, french fries and other treats. On each Sunday a special menu item such as Meatballs on Rice, Lasagna, Pulled Pork, or Garlic Sausage with Perogies was added to the menu. An extra special treat were the Pickerel

Dinners. Thank-you to everyone that enjoyed a meal or other treats at the canteen in support of the skating rink. Over 520 hamburgers were served this season!

Thank-you to Simplot, Richardson-Pioneer, G.W.B. Auto Sales, Kevin & Susan Wilson, Robert Thompson and Lynne Jonasson for donating supplies to the canteen. These generous donations are greatly appreciated.

The proceeds from Skating Fees, the Canteen and Curling Bonspiel and other monetary donations are put towards the operation and maintenance of the skating rink. This year approximately \$8900.00 was raised. Thank-you to everyone that came out to enjoy the activities and meals this season.

Skating rinks in small communities rely heavily on dedicated volunteers to open and operate. Thank-you to the many people who helped make and maintain the ice, worked in the canteen and picked up canteen supplies. Your time and effort is greatly appreciated. Thank-you for helping to make Langruth an active and vibrant community.

### **2022/2023 CFAN MEGA DRAW**

## News from Here, There and Anywhere

Reporters: Michelle Teichroeb and Teri Soos

Hello Everyone! What happened to Spring? I think that most of us have asked this very question for the past few weeks. By this time the snow is usually long melted and we have moved onto warmer weather. Now, the forecast is calling for a Colorado Low mid-week (April 5<sup>th</sup>) so it looks like our winter will hang on a little longer. March may not have gone out 'like a lion' but April is making up for it in the first week.

Teri Soos says hello to everyone as well. We had our monthly phone visit to catch up on our little bits of news.

There have been a few events in the last month. The Langruth United Church hosted the World Day of Prayer on March 10<sup>th</sup>. The service was prepared by the World Day of Prayer Committee from Taiwan. On the following Monday night, March 13<sup>th</sup>, the Grace Lutheran Church and Langruth United Church held the Annual Talent Auction Fundraiser. This is an important fundraiser for both churches as the annual Fall Supper has not been reinstated since the cancelations due to public health restrictions. Maybe this year the church committees will consider hosting a fall supper again.

The skating season at Langruth Skating Rink wrapped up during the third week of March. It was a busy season and it was great to see so many out to enjoy skating and curling.

The last week of March is always Spring Break for students and teachers. We hope that everyone had a nice spring break and those that traveled got home before the snow storm. The Manitoba Winter Fair is always held during spring break in Brandon. I'm sure many families took in a day at the fair. What were the highlights?

I travelled to Saskatchewan during spring break and it was snowy all the way across Saskatchewan. In fact there were areas that had more snow than our area. Both provinces will certainly have a late start to spring. We hope that there won't be a repeat of the spring weather from last year.

There was a funeral notice in the Langruth Post Office for Joseph Shelestynski. He passed

away on March 8<sup>th</sup> at the age of 90. Teri said that many from the Langruth area will remember Joseph from living in the Steele Bridge area. Teri also mentioned that he played the guitar with a local band. He enjoyed entertaining the residents at Third Crossing Manor and Centennial Apartments in Gladstone and was there not long ago.

Teri also heard that Elaine (Roy) Pinette had passed away on March 21<sup>st</sup> at the age of 65. She was the daughter of Louis and Elizabeth Roy. They lived in the Langruth-Amaranth area. She had a long career of nursing.

Deepest sympathy to these families and anyone that has lost friends or family recently. We hope that your happy memories help you through the coming days.

We send get well wishes to anyone that isn't feeling well. We hope that the COVID bug hasn't found you.

The month of April will bring the Senior's Partner Cribbage Tournament on April 12<sup>th</sup>. There will be teams from the Langruth area and neighboring communities. The 55+ Games will be held in Portage La Prairie in June.

Also in April will be the Langruth Rec. Committee's Online Ag Auction. This is an important fundraiser for the Community Hall and Skating Rink. There are important upgrades in each facility that need to be done and the proceeds from this fundraiser will be put towards those projects. The listing of auction items will be available soon. Watch for more details on Facebook and in the Langruth Post Office.

Grants are also available through the Big Grass Community Foundation for community projects. Applications are accepted until May 4<sup>th</sup>. The Big Grass Community Foundation has supported many projects in the Langruth area over the last number of years. Thanks to the board members for the work that they do in each of the communities that the foundation serves.

The next issue of the Langruth Views will be printed at the beginning of May. Please let us know if there is anything that you would like to include. We are always watching for things going on in the community and local area.

Have a great month of April. Hopefully we will see May flowers after all this moisture.

Take care, Michelle Teichroeb

## Earth Day

Saturday, April 22<sup>nd</sup>, 2023

Source: <https://www.earthday.org>

Every April 22<sup>nd</sup>, stakeholders of all backgrounds come together to advance sustainability and climate action in commemoration of Earth Day. The mission of Earth Day is to diversify, educate and activate the environmental movement worldwide.

This year marks the 53<sup>rd</sup> anniversary of the birth of the environmental movement – Earth Day. Since 1970, billions of individuals from more than 190 countries worldwide have come together every April 22<sup>nd</sup> to take action towards a greener, more equitable future for our planet.

This year's Earth Day theme is "Invest In Our Planet", which highlights the importance of dedicating our time, resources, and energy to solving climate change and other environmental issues. Investing in our planet is necessary to protect it and the best way to pave a path towards a prosperous future. When we invest in our planet together, we are supporting healthy, happy, and wealthy communities worldwide.

You can participate in Earth Day 2023 by:

- Planting a tree or a pollinator garden.
- Reduce your plastic consumption.
- Advocate for climate action.
- Plan an event like a community clean-up.

## Nature Notes

From the Archive of Raymond O'Connor

### Pied-Billed Grebe

The most widespread and best-known grebe in North America sometimes hides from intruders by sinking until only its head shows above water or by diving like other members of the group. This stocky grebe has a large head and short thick bill that gives it a chicken like profile, easily distinguishing it from other grebes, even at a distance. The bill is light-coloured and has a black ring around it during the breeding season but lacks the ring in winter.

The Pied-billed Grebe forages by diving from the surface and swimming underwater, propelled by its feet. It feeds on some vegetation but about half of the diet is made up of aquatic insects with the remainder split almost equally between small fish and crustaceans.

The nest of the Pied-billed Grebe is a platform of decaying vegetation, inconspicuously anchored to vegetation in open water among reeds or rushes. It is built by both sexes.

The incubation is 23-27 days by both sexes, but the female does more. The young move from the nest to the adult's back less than an hour after hatching. They take their first flight in about 35-37 days. They are fed by both sexes. The Pied Billed Grebe has 1-2 broods per year.

### Manitoba's Important Bird Areas (IBAs)

Manitoba is home to 38 IBAs.

The Langruth – RM of Lakeview IBA is located in the Big Grass Marsh west of Langruth.

More information about this IBA can be found at:

<https://importantbirdareasm.ca/>

## Gladstone Music & Arts Festival News

The Gladstone Music & Arts Festival is the longest running festival in Manitoba and is celebrating its 90<sup>th</sup> year. The festival committee is pleased to once again be able to offer young performers in the area an opportunity to share their love of music and performance. The feedback from professional adjudicators helps them grow as young performers.

In order to keep entry fees affordable, the festival committee relies on the generosity of local organizations, businesses and community members. Donations to the Gladstone Music and Arts Festival are used to hire quality adjudicators, tune pianos, purchase awards and pay administrative costs. Donors can receive charitable receipts which may be used for income tax purposes. Charitable receipts are provided by the Big Grass Community Foundation. Donations can be mailed to:

***Big Grass Community Foundation  
Box 497, Gladstone, MB R0J 0T0.***

Please make cheques out to the ***Big Grass Community Foundation*** with instructions that the funds are to be directed to the *Gladstone Music & Arts Festival*. Donations of \$20.00 or more will be issued a tax receipt. All donations are greatly appreciated.

The festival committee always appreciates the help of new volunteers. If you are interested volunteering with the festival committee, please contact any one of the festival committee members. Thank-you for considering joining the Gladstone Music and Arts Festival Committee.

## Lions Foundation Conducts Vision Screening in Langruth

*Source: Lions Foundation Information Brochure*

The Lions Foundation of Manitoba and Northwestern Ontario recently conducted a free vision-screening for children through the Kidsight project in Langruth.

Vision screening is important because, according to educational and visions experts, 80% of learning is visual. Many children do not have a vision screening until they have noticeable problems seeing, learning or paying attention in school. Vision screening for all children is important because some vision problems are treatable if caught early.

The Kidsight project has Lions Club volunteers conduct vision-screening sessions in local communities. Screening devices detect risk factors, such as strabismus (eyes that cross or wander out) or refractive errors (the need for glasses) as well as additional vision issues which can be found in children at an early age.

The vision screening results are provided to the guardian who is encouraged to visit a local optometrist if the screening tool detects potential vision problems.

The screening does not replace seeing an optometrist. It is used as a means to identify kids with potential vision issues and to encourage guardians to seek professional attention if recommended. The Lions Club volunteers are thoroughly trained but they are not medical professionals and the vision-screening report is not a diagnosis. A complete examination is required by an optometrist.

More information about the Lions Kidsight Project can be found online at <https://lionsfoundation.ca/kid-sight/> or contact Bonnie Popowich at [bonniepopowich@gmail.com](mailto:bonniepopowich@gmail.com).

## How To Use a One-Lane Roundabout

Source: <https://www.iihs.org/topics/roundabouts>

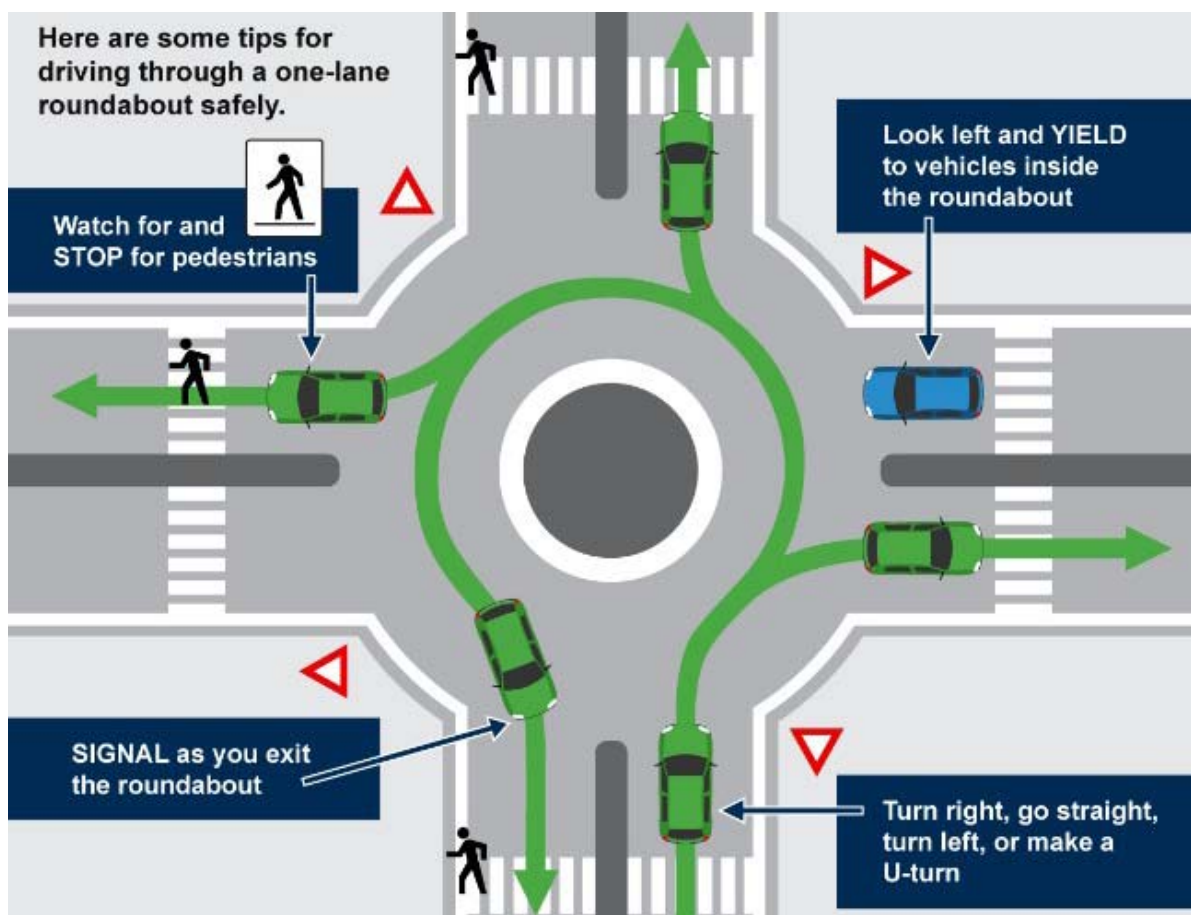

The new entrance into Portage La Prairie from Highway 1 West now includes a Traffic Circle or Roundabout. Roundabouts can be intimidating at first but they are designed with features that promote safe and efficient traffic flow.

At roundabouts vehicles travel around a raised center island in a counterclockwise direction, with entering traffic yielding the right-of-way to

circulating traffic. The tight circle of a roundabout forces drivers to slow down making the most common intersection crashes unlikely.

Drivers are typically skeptical of roundabouts when they are first in service but opinions quickly change when drivers become familiar with them.

Some tips on driving through a roundabout are included below.
