**2023 Week of Awareness is May 7<sup>th</sup> – 13<sup>th</sup>**

Let No One Be Alone week of awareness is about connecting with people, especially those that are alone. Loneliness and social isolation can have a significant impact on a person's physical, mental and social health. The medical system can only do so much to support and treat those that are suffering medical effects due to the lack of social participation. Community connections can play a huge part in the prevention of these associated illnesses and be integral in promoting healthy and fulfilling lives to all community members throughout their entire lifespan.

A simple act of kindness can brighten someone's day!

## Take a Chance

When we have the chance to bring family or friends together, may we take it.

When we have a chance to support and encourage others, may we do it.

When we see a chance to volunteer in our local community, may we be ready.

When we see the chance to give, or speak out for the oppressed of our world, may we seize it.

Take a chance.

## Mental Health Awareness Week

Leanne Fay, Healthy Living Facilitator, Southern Health

May 1<sup>st</sup> to 7<sup>th</sup> is Mental Health Awareness Week. There are many ways to describe mental health, such as mental wellbeing or holistic wellbeing depending on our culture and background. As defined by the Public Health Agency of Canada:

"Mental health is the state of your psychological and emotional well-being. It is a necessary resource for living a healthy life and a main factor in overall health. It does not mean the same thing as mental illness. However, poor mental health can lead to mental and physical illness."

<https://www.canada.ca/en/public-health/services/about-mental-health.html>

It is natural to feel "off balance" from time to time. For example, when we are feeling sad, worried, scared or frustrated, sometimes these feelings can become overwhelming and start to affect your ability to enjoy life.

We all need to think about ways to take care of our mental health. The best time to do this is before our feelings become overwhelming so that we have known strategies in our "mental health toolbox". Just like when we are experiencing a physical health problem such as a headache, we have tools to help us. Rest, hydration and a quiet space may be part of that "physical health toolbox".

During this week think about your "MENTAL HEALTH TOOLBOX". Everyone is unique and there are many tools you can use. Challenge yourself to try something new!

- Volunteer.
- Try a new exercise.
- Do something kind for someone.
- Turn off technology, 24 hours social media free.
- Go for a walk.
- Do something that makes you feel calm.
- Focus on one task at a time.
- Write a thank-you note.
- Practice good sleep habits.
- Exercise your brain with a puzzle or game.

## Fifty and Beyond News

*Reporter: Margaret Whiteley*

The Langruth Seniors' April business meeting was postponed to April 19<sup>th</sup> due to one of those lovely snow storms. Harry called the meeting to order at 2:00 pm with 5 people attending.

The minutes from the last meeting (February) were read and adopted by Margaret Whitely, seconded by Lydia Johnson. There were no minutes from March due to an illness of the Secretary/Treasurer. The Cheer Report was given by Ann Craik with 4 Birthday cards and 1 Get Well card being sent out.

The Central Plains Seniors meeting was held in Portage on April 26<sup>th</sup>.

There will be a Bingo Fundraiser for Seniors in Plumas. The Garage Sale day in Plumas will be May 6<sup>th</sup>.

The Partner Cribbage Tournament held on April 12<sup>th</sup> was a great success and the lunch was enjoyed by all. 20 people (5 tables) registered. A very exciting time was had by everyone.

The Senior's Provincial Games will be in Portage on June 20<sup>th</sup>, 21<sup>st</sup> and 22<sup>nd</sup>, 2023. If you are interested in participating there are forms at the Langruth Post Office with lots of information.

April's Senior's Supper was delicious. 17 people attended. The Senior's Supper in May will be on May 31<sup>st</sup>. Come out for the fun and have a great meal.

The next meeting will be on May 3<sup>rd</sup>, 2023.

Margaret Whitely adjourned the meeting at 3:15 pm, seconded by Joey Johnson.

## Fire Departments Respond to Fires in the Lakeview Municipal Area

On May 1<sup>st</sup>, the Lakeview Fire Department worked most of the day to keep a large grass and marsh fire under control and protect residences in the Big Point area. At the same time the Amaranth/Alonsa Fire Department was keeping an eye on a fire at the north boundary of the municipality.

Smoke was seen early in the morning south of Hollywood Beach Road (Road 100) and also at the north boundary of the municipality. At that time the winds were light and the fires, although producing large plumes of smoke, were moving slowly. The winds became stronger and the fire at Hollywood Beach Road spread south very quickly through the marsh to Road 95 threatening Big Point residents. The fire at the north boundary of the municipality traveled south along the shore of Lake Manitoba threatening the Thordarson farm.

Photos By: Michelle Teichroeb

On May 2<sup>nd</sup> a fire that started south of Langruth along the shore of Lake Manitoba made its way north to the Big Point area. By evening the fire had reached Road 94. The fire burned well into the night.

Thanks to the volunteers with Lakeview Fire Department and Amaranth/Alonsa Fire Department, the fires were controlled and residences and livestock in the area were fire guarded and protected. Thank-you to all the volunteers for their commitment to the local fire departments. There is a mutual aid agreement with neighboring fire departments and we thank the Amaranth/Alonsa fire department for coming to our aid. Fire protection is a year-round service that is vital in our community.

Please notify the Lakeview Fire Department if you are planning on burning by taking out a Burn Permit. Call 911 in the event of a fire emergency that requires the fire department. Be safe, for yourself and the community.

## Manitoba Day is May 12<sup>th</sup>

Reprinted from:

<https://www.museumsmanitoba.com/en/manitoba-day>

The Manitoba Act, which created the Province of Manitoba, was given Royal Assent on May 12, 1870.

This paved the way for the proclamation on July 15, 1870. On May 12, 1966 Manitoba's official flag was dedicated and unfurled for the first time. In 1986, May 12 was designated as Manitoba Day in perpetuity, in recognition of the importance of this day in the history of the Province.

## Langruth Elementary Observes Earth Day with a Town-Wide Clean Up

On the afternoon of April 28<sup>th</sup> students and staff from Langruth Elementary School worked together to pick up litter around town and school playground. This annual Earth Day activity benefits both the students and the whole community. While instilling the importance of not littering in the students, it gives the community a fresh tidy look after a long winter.

Armed with gloves and garbage bags, the Kindergarten/Grade 1 class cleaned the school playground while the other 3 classrooms focused on certain areas of town. Each classroom returned with multiple bags of garbage!

Thank-you to the students and staff for providing this service to the community.

## Stock Dog Trials Held at Lakeland

A stock dog trial is a competitive dog sport in which herding dogs move livestock around a field, fences, gates or enclosures as directed by their handlers. The goal is to promote stress free handling of livestock with the use of stock dogs.

Stock dog trials were held at Dana Gardiner and Curtis Knox's arena at Lakeland on January 4<sup>th</sup>, February 4<sup>th</sup> and March 4<sup>th</sup> this winter. Competitors from all over Manitoba and some from Saskatchewan and Alberta attended. There were between 72 and 78 runs per day.

In these competitions the handler and dog worked together to navigate 3 head of heifers through various obstacles. The handler and dog receive points throughout the timed run.

There are various classes including Open, Intermediate, Novice, Nursery and Junior to accommodate all levels of handlers and dogs.

Points accumulated at Dana and Curtis's dog trials counted towards both the National Cattledog Association (NCA) and the Canadian Cattle Dog Association (CCDA). Finals were held in Decatur, Texas from March 28<sup>th</sup> to April 2<sup>nd</sup>. Based on points accumulated throughout the year across North America, the top 55 dogs competed in the open class and the top 30 dogs competed in the other classes at finals. 9 Canadians attended, including Dana and Curtis. Dana ran her dog Ice in the Intermediate Class and Curtis ran his dogs Brin and Grace in the Open Class.

The Canadian Cattle Dog Association Finals will be held from June 30<sup>th</sup> to July 2<sup>nd</sup> in Dauphin and is shaping up to be a great competition. Good luck to Dana and Curtis at this event.

### Eastern Screech-Owl

Perhaps the best-known owl in eastern North America, the Eastern Screech-Owl is a small tufted bird found in a great variety of habitats, from wooded lots to urban gardens. It is able to flatten its ear tufts, which gives the head a rounded appearance. There are two distinct colour phases, reddish brown and gray, plus there are brown intermediates. Its voice is not a screech but rather a mournful whinny familiar to many.

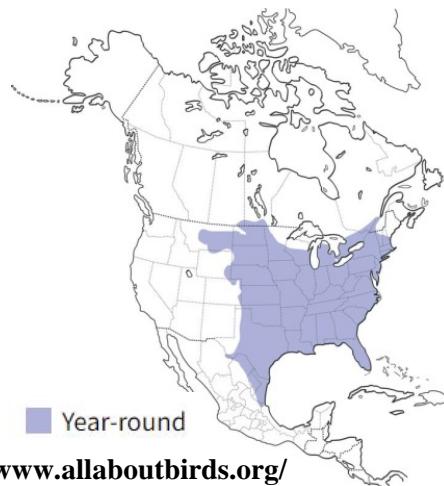

The Eastern Screech Owl is nocturnal; it becomes active at dusk. It feeds on a wide variety of small vertebrates and invertebrates, including insects, crayfish, mammals, amphibians, reptiles, birds and fish.

When this owl uses a cavity for a day roost, often it will sit in the entrance. When approached on its roost, it will flatten its body, erect its ear tufts, and close its eyes in an attempt to hide by blending into the background.

The nest is lined with feathers and debris from food and usually is 3-9 meters above ground in a tree. The Eastern Screech Owl will also roost and nest in nesting boxes sized for wood ducks or flickers.

The incubation is about 26 days by mostly the female. The young stay in the nest about 28 days and are fed by both sexes. They have 1 brood per year.

The Eastern Screech Owl is most common in Eastern Manitoba.

## News from Here, There and Anywhere

Reporters: Michelle Teichroeb and Teri Soos

Hello Everyone! Slowly the weather seems to be changing to spring like temperatures. Teri Soos and I visited on the phone and we both agreed that the grass was slow to start growing. Neither of us could see any growth on the first of May! The temperatures stayed unusually cool through April.

The farmers are certain to be anxious to start seeding. Most years seeding is started well before the end of April. The weather has been pretty good for those that have started calving. Knock on wood, there has been only one Colorado Low snow storm this spring. Last year's spring was difficult with three Colorado Lows in three weeks. Hopefully in the next week fields will be dry enough to start seeding.

Teri mentioned that her neighbors went out to Arden Ridge to look for crocuses. There were none to be found as of yet. We hope that they haven't died off and will still make an appearance. The Prairie Crocus is Manitoba's provincial flower after all.

May 12<sup>th</sup> is Manitoba Day. Celebrate all things Manitoba! Maybe you will find something new to explore in our province. We hope that you have a great summer. What is your favorite Manitoba summer destination?

Happy Mother's Day on May 14th. We hope that you can celebrate this special day together as a family.

On May 20<sup>th</sup> the Langruth UCW will host the Annual Plant Sale fundraiser at the United Church. This year a bake table will be included along with the plants. There will be a variety of perennials and other plants available. Are you in need of some tomato plants? Come by and check out the varieties.

I usually try to have my garden planted before the end of May but last year it was so wet it certainly didn't happen by then. This year I am wondering when it will be warm enough to plant and if I will get anything in before the end of May.

Teri told me that she had a nice visit with Harold Jackson back in March. Harold's parents

were Cecil and Pearl Jackson. Harold had come to Centennial Apartments to visit with Barbara Jackson, who now resides there. Harold is still living in Portage. Teri enjoyed their short visit and was happy that he had time to say hello. Next time she hopes they can visit longer.

We recently heard of the passing of Cheryl Waldner from Gladstone. Cheryl was Sheila Olson's sister. They both grew up in Gladstone. We send deepest sympathies to Sheila's family at this time. Deepest sympathy to anyone else that may have lost friends or family members recently as well. We hope that your happy memories help you through the coming days.

The Langruth Seniors Club was very happy with the turnout at the Partner Cribbage Tournament on April 12<sup>th</sup>. We hope that some of the competitors will consider playing in the 55+ Games in Portage La Prairie in June.

The children are starting some of the outdoor spring sports. Langruth Elementary will be hosting the divisional soccer tournament at the end of May. The school soccer fields will be busy with all schools in the division competing. A Soccer Night for younger children is also being planned to start in May. Watch for more information. Maybe we will also see some baseball at the school playground.

Unfortunately there have been some fires in the area recently. At this time of year a fire can be quite dangerous as it can travel quickly through the dead matter in the marshes. Combine that with a windy day and the fire is doubly dangerous. Volunteers with Lakeview Fire Department and Amaranth/Alonsa Fire Department were dispatched to tend to the fires. Fortunately no infrastructure or livestock was lost in the blazes. Thank-you to all the volunteer fire fighters for taking time out of their day(s) to serve the community.

The next issue of the Langruth Views will be printed at the beginning of June. Please let us know if there is anything that you would like to include. We are always watching for things going on in the community and local area.

Have a great month of May.

Take care,

Michelle Teichroeb

## Gladstone Music & Arts Festival News

After 3 years of cancellations, the 2023 Gladstone Music & Arts Festival once again provided students with an educational experience to enrich their skills and further develop an appreciation of the arts. Held through April, the festival included Band/Strings, Speech Arts, Choral, Vocal Solos and Piano. A number of students from the Langruth area participated. Congratulations to the performers on their successful performances.

Students in Kindergarten to Grade 5 performed in the Classroom Speech Choir classes. Mrs. Kunzelman's K/1 class performed The Sneeze by Sheree Fitch. Ms. Linski's Grade 2/3 class performed The Crocodile's Tooth Ache by Shel Silverstein and Mrs. Battad's Grade 4/5 class performed Welcome Rain by Rita Glen. Rylee Kennedy and Jonathan Heubert also participated in a Solo Spoken Poetry class. Regan Teichroeb performed a vocal solo and shared a prepared speech. Adjudicator Alyssa Hildebrand gave positive and constructive feedback on all the performances.

Grade 6 students performed with the Beginner Band, Grade 7 & 8 students performed with the Junior Band and Grade 9 to 12 students performed with the WMCI high school band. Adjudicator Melissa Ballard worked with each band after their performances.

Madeline (Maddy) Hildebrand was the adjudicator for the piano sessions. Maddy provided helpful suggestions to all the performers including local student, Regan Teichroeb.

The Annual Highlights concert was held on April 30<sup>th</sup> at the Gladstone United Church. It was a great celebration of a variety of performances during the festival.

Thank-you to everyone who helped plan the festival and/or volunteered at the festival. It is the dedication of community volunteers which ensures the festival runs smoothly.
