## Yellowhead Regional Water Co-op Rural Water Lines

Source: <https://www.westlake-gladstone.ca/>

Eagle Eye Excavation has been busy installing water lines throughout the Langruth/Lakeland area for the expansion of the Yellowhead Regional Water Co-op. Many of the east-west lines have already been installed. Eagle Eye Excavations will continue installing the water lines in municipal right of ways, Provincial Highways right of way and/or by easement on private properties through to approximately November 2023.

If you are currently farming a municipal right of way, including ditch areas and roadways, please note that there could be crop damage to the area that the contractor needs to access. The Municipality will **NOT** be reimbursing or compensating for any crop damage or loss on municipal right of ways due to the construction of the water line.

## Kinosota Trail Game & Fish ATV Poker Derby

*Submitted by: JoAnne Kleemola, Kinosota Trail Game & Fish Association*

Kinosota Trail Game & Fish Association held an ATV Poker Derby fundraiser on Saturday, July 29, 2023.

All that attended thoroughly enjoyed an awesome but not too hot day. There were 87 ATV with 110 plus riders, cruising over 20 miles of trail. There were two trail options. There was a drier trail or the Bounty Hole which had mud, swamp and cat tails. Several tried the Bounty Hole but only 2 ATVs, Ty Robertson and an ATV from Rolling River, made it through.

Kinosota Trail Game & Fish Association would like to express a heartfelt thank you to Houle's Towing and a local group of riders "ASK A RIDER" for helping. You guys are awesome.

Thank you to Houle's Towing for donating half of the first place prize money. The winning poker hands were:

1<sup>st</sup> Place: \$1,000.00 **Vicki Roulette**

2<sup>nd</sup> Place: \$300.00 **Wayne & Sheila Olson**

3<sup>rd</sup> Place: \$200.00 **Jim Bohm**

Dirtiest Riders: 1<sup>st</sup> Place: **Landon Roulette**

2<sup>nd</sup> Place: **Wallace**

Thank you to all who donated a prize for our Silent Auction.

Thank you to all the volunteers who helped throughout the day. It was greatly appreciated.

Thank you to all riders for coming out to have some fun.

Kinosota Trail Game & Fish is looking forward to seeing you all next year. Our goal is to hold a derby again end of July 2024.

This fundraiser will definitely help us with our current project of constructing a Boat Launch at Big Point.

### Blue Jay

Once considered primarily a forest dweller, the Blue Jay has adapted to cities, parks, gardens, and forest fragmentations. Some populations remain in locales year-round, while more northern ones migrate south in flocks of 50 – 100. The Blue Jay is common despite clear-cutting forest. Its range is expanding northwest. The Blue Jay is easily recognized by its large size, blue-purple under parts, wings and tail and its jaunty bluish purple crest.

The Blue Jay is found usually in pairs or flocks. It is especially gregarious after nesting season. It lives in oak and beech trees. The Blue Jay is typically noisy and shrieks alone or in groups at cats, snakes, owls, hawks and hunters.

The Blue Jay is omnivorous but over 70 percent of its diet is plant matter. It especially likes acorns, pine seeds, corn, fruits and berries. Animal fare includes insects, carrion, eggs and young of other birds, snails, fish, frogs, small reptiles and small mammals. The Blue Jay stores acorns in the ground for winter. This is a major factor in establishing and distributing oak forests as many seeds are not found and thus germinate.

## News from Here, There and Anywhere

Reporters: Michelle Teichroeb and Teri Soos

Hello from Michelle Teichroeb and Teri Soos. We hope that you are enjoying your summer. Unfortunately the first of August means that summer will soon be winding down.

The temperatures remain warm and most of the area is in need of some rain. Unfortunately rain now will be too late for most crops and second cut hay but it will still be welcomed for the pastures, our yards and gardens.

When I visited with Teri she said that Gladstone had a little hail storm go through on July 27<sup>th</sup>. I haven't heard of any hail in the Langruth area recently.

I had a nice conversation with Stephanie Campbell, the new Rec Director with the municipality. She is interested in bringing activities to the Langruth community and would like input from the community as to what she can be working on. Feel free to give her a call to let her know what you and your family is interested in. She doesn't know if we don't speak up!

Philip and Phyllis Thordarson will be celebrating their 40<sup>th</sup> Wedding Anniversary on the 5<sup>th</sup> of August. Congratulations to Philip and Phyllis and anyone else celebrating an anniversary.

Get well wishes go out to anyone that has been feeling under the weather lately. I spoke with Lynne Jonasson after she had a short stay in the hospital. She is now recovering at home.

Teri told me that there was a retirement party for Shirley Armstrong in Gladstone. She has worked at the Centennial Apartments for over 30 years.

We heard that Freda Olafson passed away on June 21<sup>st</sup>. Her partner, Gordon McInnis was well known in the area. They lived in Brandon together until his passing in 2011.

I would like to send out a special thank you to Tristyn Evenson who has been helping get the Langruth Views ready for mailing while Phyllis has been recovering and is not able to drive. Thank you Tristyn for all your help!

Enjoy the rest of your summer.

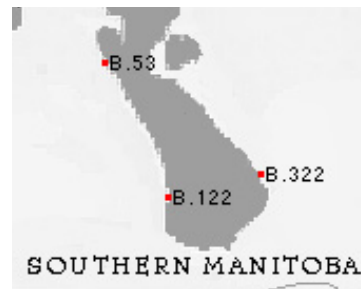

Take care,

Michelle Teichroeb

## Did You Know??

Source: <http://pam.minisisinc.com/>

Did you know that in the early 19th century, traders of the Hudson's Bay Company (HBC) would spend their winters at the mouth of the Whitemud River, along the shore of Lake Manitoba? In 1815, a winter fur-trade post was established in the Big Point area and was called Big Point House or Manitoba Lake House [Trading Post B.122]. This was a site that HBC traders from Albany had wintered at in earlier years. In 1820, new buildings were erected at the site. By 1824, Big Point House was abandoned. In 1862, Big Point House was in operation again as a winter post. It was closed sometime after 1894.

### HBC Trading Posts on the South Basin of Lake Manitoba

B.53 – Doubtful Post

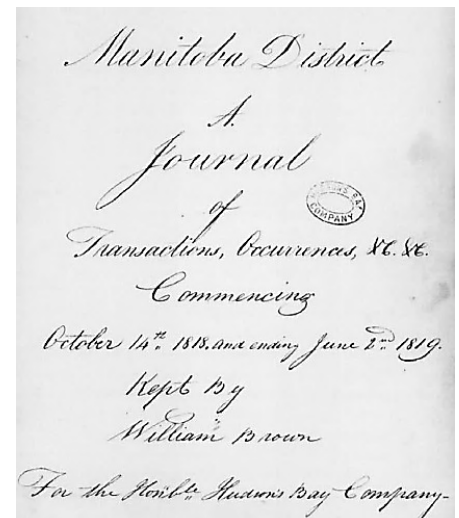

B.122 – Manitoba Lake House (Big Point House)

B.322 – Oak Point

Establishments of the HBC, including Trading Posts, kept post journals. The post journals from Big Point House document the post's establishment as well as weather, daily activities and occurrences of note. The journal dated 1818-1819 also contains a report on the Manitoba District during District Master William Brown's journeys. Post journals were sent annually to the Governor and Committee in London, and copies were often preserved at the posts.

Big Point House post journals which recorded the daily life at the trading post have been digitized and are available online. The Government of Manitoba Archives web site is listed above.

## Local Track & Field Athletes Compete With Team Manitoba

Local track and field athletes, Karina Kuznecova and Regan Teichroeb competed with Team Manitoba at the Saskatchewan versus Manitoba Dual Meet from July 21<sup>st</sup> to 23<sup>rd</sup> in Regina, Saskatchewan.

Both Karina and Regan competed in the Heptathlon event, where each athlete completes seven events scoring points in each. Heptathlon events are 200m Dash, 800m Run, 100m Hurdles, Shot Put, Javelin, Long Jump and High Jump.

Also competing from the Gladstone area were Svienna Bjarnarson and Regan Winters. Svienna competed in Shotput, Discus and Javelin. Regan competed in Shotput, Hammer Throw and Javelin.

Congratulations to all on a very successful track meet. Karina won gold in Heptathlon. Regan Teichroeb won silver in Heptathlon. Svienna won bronze in Javelin. Regan Winters won gold in Hammer Throw, silver in Javelin and bronze in Shotput. Great job representing Manitoba and the local area at this meet.

## Fun Facts About Manitoba

Reprinted from: <https://journeyinggiordanos.com/facts-about-manitoba/>

**1. Manitoba has the largest Narcisse Snake Dens in the world.** The Narcisse Snake Dens are a major mating ground for garter snakes. During peak mating season in May you can see thousands of snakes in the pits.

**2. In 1959, Winnipeg was the first city in North America to create and use a central emergency system.** Although the original emergency number was “999,” it was soon changed to “911” and the number has been used ever since.

**3. The Curling Capital of the World.** Manitoba is home to more curling rinks and clubs than Ontario and Quebec combined.

**4. The world’s largest curling rock can be found in Arborg, Manitoba.** Just outside of the Arborg-Bifrost Curling Club, is where you will find the largest curling rock in the world. It measures 4.2 metres.

**5. Manitoba is a bilingual province.** Manitoba was officially established as a bilingual province in 1870. The four main languages spoken in Manitoba are English, French, Cree, and Ojibwe (Anishinaabe).

**6. Winnie the Pooh is named after Manitoba’s Capital.** Many people don’t realize that Disney’s loveable little bear, **Winnie the Pooh**, was actually named after Winnipeg! During the First World War, Harry Colebourn, a Lieutenant from Winnipeg, became attached to a baby black bear. He ended up purchasing the bear and nicknamed him “Winnie.” If you happen to visit Assiniboine Park, you can check out his commemorative statue.

**7. Elm trees are popular in Winnipeg.** With approximately 160,000 elms, Winnipeg has the largest mature elm tree urban forest in North America.

Explore Manitoba and enjoy all the province has to offer. What have been your favorite Manitoba destinations this summer?

## Obituary: Freda Joanne Olafson

*As published in Winnipeg Free Press on Jul 08, 2023*

Freda Joanne Olafson, born July 28, 1932, passed away peacefully on June 21, 2023. Growing up in Lonely Lake, Manitoba, Freda was the second youngest of 13 brothers and sisters. Raised on the farm, Freda was never one to shy away from hard work or a little mischief.

She was married to Ragnar Olafson on October 11, 1952. We cannot describe what a wonderful person Freda was without acknowledging that within one year of their marriage, Ragnar became ill with Polio. After spending nine months in an iron lung, he was released to home, a quadriplegic, where Freda cared for him and managed every aspect of their home and personal life. If this was not challenge enough, they decided to start a family. We can't imagine the amazing love and effort it took to manage the care of a wheelchair bound husband; the household and two pregnancies. They enjoyed travelling the world, exploring the countryside and camping with their two kids, Ingrid and Rodney. Their home in Winnipeg will be fondly remembered as the place to be when family was visiting the big city, all were welcomed and encouraged to enjoy and share a hearty meal, tall stories and an occasional drink or two.

After Ragnar passed in 1996, our family was happy when Freda was fortunate to find a Gordon McInnis in 2001. They became a couple in 2002 when she moved to Brandon and they enjoyed golfing, dancing and travelling. She was welcomed with open arms into the family by Gordon's children, Melvin, Carol-Anne, Joni, Gwen and Neil. She enjoyed being a part of the McInnis family and they have all maintained loving contact with her after Gordon passed away in 2011.

Freda cared for many friends and family members throughout the years, often making new friends along the way. She was an incredible baker, who always made sure her treats were just right by taste testing a small corner piece first,

"To make sure it was okay for everyone else to eat." Known for her kind spirit, contagious laughter and cunning card playing, Freda was loved by all and never went anywhere without a few Bud Light in her purse in case an impromptu party broke out.

Freda was predeceased by her loving husband (Ragnar); partner (Gordon); daughter (Ingrid) and many other brothers, sisters and family members. Her fiery spirit is carried on by her loving son Rodney (Anita); grandchildren, Nikolas, Anna (Geoff), Erik (Tara) and Krista (Nik); eight great-grandchildren, (Jordyn, Sloane, Braxton, Reece, Briggs, Beau, Cecelia and Aiyanna); one surviving sibling, Audrey Clayton (Earl) and too many nieces and nephews to mention.

Her last piece of advice before she left was to not take yourself too seriously, travel lots, enjoy time with loved ones and never, ever substitute chili powder for cinnamon to a batch of ginger snap cookies because no one will ever let you forget it.

A special thank you to the Grace Hospital Emergency Team; St. Boniface Emergency and Cardiac Teams; and the staff at the Grace Hospital 3 South Ward for everything that they did for her. She so much enjoyed her friends at the Courts of St. James; all of the staff and friends at the Kiwanis Courts and especially her Bridge friends.

Following Freda's wishes, she did not want a service but a private Celebration of Life for an amazing woman will be held with for family. She will be incredibly missed by the many that were fortunate enough to call her Mom, Amma, Auntie Freda or friend. Forever loved, and now at peace.

Condolences may be sent to
