Indicate "Food Cupboard" on the memo line.

Langruth Hosts Annual Vacation Bible School

The annual Langruth Vacation Bible School was held on August 21st, 22nd and 23rd at the Langruth United Church. Eleven children attended this Christian education program featuring religious studies, crafts, games and songs. This year's theme was Surf Shack with many of the crafts and songs having a surfing and sea life theme. The lessons encouraged the children to ride the wave of God's love and take that love out into the world.

On the final afternoon the children presented their program of music, verses and a play Jesus Calms the Storm.

Thank-you to all the leaders and helpers. Bobbie Czeranko, with help from Stacie Czeranko and Amanda Slawinski, led the younger years class. Michelle Teichroeb, with help from Lana Armstrong, led the older years class. Special thank-you Ann Craik and Sheila Olson for helping arrange learning and craft materials and hot lunches.

The Langruth Vacation Bible School runs each summer in August. Watch for information next summer to join in the fun.

Front Row (L-R): Lochlan Egilson, Aaron Palmer, Oli Hanneson, Emily Lambier, Levi Slawinski, Amanda Slawinski (helper)

Fifty and Beyond News

Reporter: Margaret Whiteley

The Langruth Seniors' August business meeting was held on August 2nd, 2023. Harry Lazor called the meeting to order at 2:00 pm with 3 people present.

The minutes from the last meeting were read and adopted by Margaret Whiteley, seconded by Ann Craik. The Cheer Report was given by Ann Craik with two birthday cards and one anniversary card being sent out.

The Seniors Christmas Dinner will be on December 2nd this year so keep this date open. There will be no Seniors Supper in November due to the Christmas Dinner the following week.

The Central Plains Seniors meeting will be on October 11th, 2023 at 11:00 am in Langruth. Soup, sandwiches, desserts, muffins, tea and coffee will be served for \$7.00/person. All seniors welcome.

The 2024 Senior's Games will be held in Dauphin.

The Senior's Suppers will resume on September 27th. All seniors 55+ are welcome.

The next meeting will be on September 6th, 2023.

Margaret Whiteley adjourned the meeting at 3:00 pm, seconded by Ann Craik.

Senior's Supper

Jim Rinn Recognized For Years of Service as Fire Chief

The Municipality of WestLake-Gladstone recognized Jim Rinn for 25 years of service as Lakeview Fire Department Chief in April of this year. The Lakeview Fire Department provides service to the community of Langruth and surrounding areas. Mayor Daryl Shipman presented Jim with a certificate recognizing his commitment to the volunteer fire department.

Members of the Lakeview Fire Department recognized Jim's 26 years of service as chief at their 2022 summer BBQ presenting him with an engraved Yeti mug. Jim became fire chief in 1996 when the Lakeview Fire Department was formed. The position of fire chief has since been passed into the very capable hands of Graham Tapley. Jim continues as a member of the fire department where he can share his experience and knowledge as needed.

Fire Prevention Week will run from October 8th to 14th. Watch from more information about Lakeview Fire Department as we recognize the commitment of our local volunteers.

Langruth Views, September, 2023

Nature Notes

From the Archive of Raymond O'Connor

American Tree Sparrow

After nesting near the frigid tundra regions, flocks of these sparrows migrate south and can be found primarily in the United States during the winter. Sometimes they travel in flocks of thirty-five to forty birds, but often smaller. They scout out food supplies and willingly come to outdoor feeders. Males often winter farther north than females and juveniles. These birds spend their summer in open landscapes and their winters near the forest edge.

Males sing during courtship and also to claim territory. They are typically in pairs on breeding ground and in flocks in winter. They are relatively tame and conspicuous.

Juveniles have paler upper parts and streaking on the head, breast and sides.

The American Tree Sparrow forages for food by scratching on the ground, foliage or snow. They eat mostly seeds. They also eat insects and caterpillars in summer, as well as some berries and catkins of willow. They are fairly common in weedy fields, open areas of brush and scattered trees.

The nest of the American Tree Sparrow is built of stems, bark pieces, moss and grass with a lining of feathers, fur and hair. It is atop a clump of grass or moss, rarely low in a shrub or tree. The nest is 30 cm to 1.5 m above the ground and is built by the female.

The incubation is 12-13 days by the female. The young are brooded by the female and remain in the nest for 8-10 days. They are fed by both sexes. The American Tree Sparrow has 1 brood per year.

News from Here, There and Anywhere

Reporters: Michelle Teichroeb and Teri Soos

Hello from Michelle Teichroeb and Teri Soos. Fall seems to be in the air and we are starting to see the trees and grasses change colour as summer comes to an end. This time of year always leaves me wishing for more summer days.

The temperatures have remained quite warm with a couple days reaching almost +35 degrees. The farmers are well into their harvest. We hope that harvest is going well considering how dry it has been this year. Many parts of the prairies are experiencing drought conditions. There doesn't seem to be any rain in the 14 day forecast. Hopefully we will get some of those fall rains to replenish some moisture for next year.

The Langruth Harvest Festival will be held on September 9th this year. Good weather is forecasted and we hope that as many as possible can come out to enjoy the many activities. There is always something new at the Harvest Festival!

If you are interested in taking a Hunter Safety Course register with WestLake-Gladstone Rec. before October 11th. The course will be held right here in Langruth and anyone 12 years and up can register. Watch for more activities and programs offered by WestLake-Gladstone Rec.

The next Provincial Election is coming up on October 3rd. Be sure to get out and vote! The polling station in Langruth will be at the Community Hall and will be open from 8:00 am to 8:00 pm.

We have heard of a few incidents of theft in the area recently. We need to do what we can to protect our properties from theft but we can also be on the lookout for suspicious activities around our own properties and our neighbor's properties. If you see anything suspicious report it to the police.

When I visited with Teri she said that Louise and Glen Emerson had returned home after spending some of the summer at their fly-in fishing camp in northern Manitoba. Good to have you home!

Get well wishes go out to anyone that has been feeling under the weather lately.

We heard that Kathy Grant passed away on August 20th. Kathy and her husband Greg lived in the Langruth area when Greg taught school at

Sandy Bay and Kathy was a nurse at the Third Crossing Manor in Gladstone. We also heard that Lila Leys passed away on July 30th at the age of 94 years. Many will remember Lila from the time when she and her husband Bill worked in the Legion. We also heard that Mark Dowhy passed away last March. He was married to Louise Dowhy (nee Doar) who passed away in 2008. The family recently had a private graveside service at the Langruth Cemetery. Marianne Woods (nee Hoehn) recently lost her husband Keith in July. Marianne is the daughter of Allan and Mavis Hoehn who operated the Ridge Hotel and Restaurant for many years. Finally, we heard that Louis Lasson of Portage passed away on August 10th at the age of 88 years. He was married to Iona and his parents were Margaret and Louis Sr.

Deepest sympathy to these families and anyone else that has lost friends or family recently. May your happy memories help you through the coming difficult days.

The children, teachers and other school staff will all be back to school on the 7th. We hope that the school year is full of fun and interesting learning. Best wishes to the students that are starting back at university and college as well. We hope that your studies help you find rewarding careers in the future.

I would like to send out a special thank you to Shirley Merke from Amaranth. When we aren't able to pick up the printed copies of the Langruth Views in Gladstone, Shirley picks them up and brings them to Langruth on her way home from work. Thank you for your help Shirley! It is very much appreciated.

Enjoy the start of fall.

Michelle Teichroeb

Langruth Elementary School News

The 2023-2024 school year will begin on September 7th, 2023. Watch the school webpage and Facebook page to see the fun and interesting things happening at Langruth Elementary School.

If you are interested in having your children attend Langruth Elementary please contact the school at 204-445-2001.

Meet The New Teaching Staff at LES

Mr. Bill Banyard

I am pleased to introduce myself as the new Principal of Langruth Elementary School. My name is Bill Banyard, and I am from the Plumas community. I have a deep connection to this area and its people, which has fueled my passion for education since high school. Over the years, I have worked in various educational roles, most recently as a resource teacher in both Plumas and Langruth. I believe that extracurricular activities are crucial to enriching the educational experience. I have always sought to create a well-rounded educational environment that nurtures every child's mind, body and spirit. As the new Principal, I am excited to work with our dedicated teachers, staff, parents and the wider community to create an exceptional educational environment that inspires a love for learning in our students.

My vision for Langruth Elementary School is to foster a culture of inclusivity, respect and support. I am committed to building strong relationships with students, parents, guardians and staff, ensuring that everyone feels valued and heard. Together, we will nurture growth, curiosity and joy. I am eager to get to know everyone and make lasting memories as we embark on this educational journey together. My door is always open and I welcome your thoughts, ideas and suggestions. Let us work together to create a bright and promising future for our students.

LES Staff

Principal: Bill Banyard

Vice Principal: Jocelyn Foxon

Grade K-1 Teacher: Jessica Kunzelman

Grade 2-3-4 Teacher: Paige Linski

Grade 5-6 Teacher: Mykala Bosiak

Grade 7-8 Teacher: Jocelyn Foxon

Grade K-8 Phys. Ed. Teacher: Carter Willis

Resource Teacher: Bill Banyard

Support Staff: Susan Wilson, Michelle Teichroeb, Roberta Czeranko, Eva Winters, Monica Ferguson, Tyrell Sutherland, Candace Kennedy and Andreas Huebert

Mrs. Mykala Bosiak

Hi! My name is Mrs. Mykala Bosiak. I am 30 years young, and I live on a small acreage with my husband Karson and our sons, Oliver (3) and Otis (1). We have many animals on our funny farm including four cats, four dogs and many chickens. I enjoy baking, puzzling and being with friends and family.

I grew up outside of MacGregor, Manitoba on a pig and grain farm. My dad is a farmer, and my mom was a teacher for 33 years but now enjoys spending time with her grandsons. I have a younger brother, four years younger, who also works on the family farm.

In May of 2015, I graduated with a Bachelor of Arts in Psychology from Brandon University and then in May of 2017, I graduated from Brandon University again with a Bachelor of Education.

I will be teaching Grade 5/6 for the 2023-2024 school year. This will be my 5th year teaching and I am excited to make this the best year yet for myself but more importantly, my students!

Remembering When the Langruth Elevator was Relocated to Westroc

Written by Joel McGrath, Winter 1983

Original newspaper article posted on Facebook by Wayne Organ, No other publication information available.

LANGRUTH - About 100 onlookers gathered to watch a Manitoba Pool crew move Langruth's lone grain elevator from its location on the soon-to-be abandoned Amaranth CNR branch line to a new site 26 kilometres south on Highway 16.

Within five hours the 27-metre high prairie monolith was relocated to Westroc, the site of a \$1.2 million grain handling facility scheduled to begin taking deliveries in 1984.

"I've never seen such a sight," retired farmer Ed Kelm said as the elevator lumbered past his car on Highway 50, the paved route of the moving crew, "I've seen some big buildings moved before, but nothing like this."

Kelm, who lives in Amaranth was awed by the event. Leland Bergson, a resident of Langruth for the past 10 years, expressed grief.

"There goes the elevator ... there goes the town," Bergson said at the scene. He compared losing the elevator to the closure of the Langruth High School about six years earlier.

"First they take the kids, then they take the elevator. And pretty soon the railway tracks will be gone."

"I heard one guy say he always knew he was near Langruth when he saw the grain elevator, now there's nothing to see," Bergson said.

Classes at the local elementary school were suspended temporarily while the structure moved by. Principal Randy Penner said a one-hour power outage, caused by power lines disconnected to allow the elevator to pass through town, was the official reason for the break in studies.

"But it was quite an event. Buzzers were sounding in the school. We were all pretty excited," Penner said. Students gathered in classroom adjacent to the route of the elevator to watch the spectacle.

A 1941 tractor trailer was used to pull the 90-ton elevator, along with two winch trucks. A special moving crew of 18 men, employed by

Manitoba Pool Elevators, was assigned to the project.

Three traffic control vehicles escorted the building down Highway 50. The road, a provincial trunk highway, was closed during the move and traffic was rerouted down a parallel municipal road.

A total of 90 tires beneath a platform of flatbed trailers supported the elevator. Manitoba Hydro crews disconnected 15 power lines along the route.

Westroc, the new delivery point for Langruth-area farmers, is located 40 kilometres north west of Portage la Prairie. It is expected to be fully operational when the Amaranth branch line is abandoned late in 1984.

Photo by Glen Dickson

<https://www.mhs.mb.ca/docs/sites/langruthellevator.shtml>

In 1947, a 40,000-bushel wooden grain elevator was constructed at Langruth by Manitoba Pool Elevators for a newly formed Langruth Co-operative Elevator Association. Three years later, to help in handling a bumper crop, a balloon annex was built increasing its capacity to 85,000 bushels. In 1953, a second balloon annex increased it further, to 135,000 bushels.

Thank You!

Thank you to everyone who attended our 40th anniversary celebration, sent cards, e-mails or gifts or made phone calls making it a very special time for us.

A special thank you to our family, Heather and Tyler, Theresa and John, Roddy, Charlene, Adeline and Amelia for travelling out to Langruth and being here for us and all the work, time and talent that it took in decorating the hall, preparing the musical program, the slide show of our married life and having the DVD of the actual video of our wedding that took place in Halifax 40 years ago so all that were there could see it. Plus baking and preparing the food and refreshments and serving it that day!

What a wonderful day!

Philip and Phyllis Thordarson

The trees are about to show us how lovely it is to let things go.

Obituary: Kathleen Grant (nee Bennett)

Source: <https://www.whitesfh.ca/obituary/Kathleen-Grant>

Kathy passed away peacefully on August 20, 2023 in Minnedosa, MB at the age of 74, following a brief illness.

Kathy worked many years as a nurse in Winnipeg, Gladstone and Minnedose and was happily able to enjoy many years of retirement in Minnedosa, MB and Yuma, AZ. Kathy leaves to remember her, her devoted husband Greg, her children Jennifer and Sean (Johanna), and honorary daughter and special friend Remilyn (Greg), grandchildren Sam, Olivia, Maxim and Sophie. Kathy will also be remembered fondly by her siblings Eileen (Russell), Brenda (Ken), Jean (Barry) and James (Kelly), many nieces and nephews and many many cherished friendships. She was predeceased by her parents John and Iris Bennett.

If there was one thing Kathy was good at it was helping others and always being there for friends and family. Kathy had many passions. She was an impressive gardener, her personal gardens were artwork and she volunteered many years with the Minnedosa Communities in Bloom and was often called on for her amazing cake making and decorating skills for many special events. She loved animals of all kinds and they loved her.

A private celebration of her life will be held at a later date.

The family wishes to send a special thank you to the staff and doctors at the Minnedosa Hospital for their exceptional care and compassion and to everyone involved in her and our care and support during this time.

In lieu of flowers, donations can be made to Minnedosa Communities in Bloom, Minnedosa Palliative Care or the Minnedosa food bank.
