Office.

Wedding Social In Honour Of

Jeff Jensen and Vanessa Campbell

Saturday June 8th, 2013

Gladstone Community Hall

Dog and Cat Rabies/ Distemper Clinic

The Dog and Cat Clinic that was to
be held on May 30th was cancelled
due to bad weather. The Gladstone
Veterinary Clinic will hold the
Rabies and Distemper Clinic at the RM of
Lakeview Fire Hall on Tuesday, June 11, 2013
from 7 – 8 p.m. Heartworm, de-worming
medication and flea and tick medications will also
be available. Cash payment only.

*If at first you don't succeed,
remove all evidence of trying.*

TD Summer Reading Club at the Langruth Library

The Langruth Library will be participating in the TD Summer Reading Club during the months of July and August. This is a program that strives to engage all children in the joy of reading during the summer months.

The program has a travel theme this year and is titled 'GO!' Call or e-mail the Langruth Library to register.

**Pick up your
passport to summer
fun at the
Langruth Library!**

Children who register will receive a free promotional reading kit along with their passport and are encouraged to earn collectible stickers over the summer. All children are invited to attend this free program.

It's going to be **SO MUCH FUN!** There will be awesome prizes, cool crafts and lots of other neat things to see, read and do. The TD Summer Reading Club web site will be full of lots of amazing stuff, including secret content, just for club members.

The adventure starts in July!

Contact the Langruth Library or visit the TD Summer Reading web site for more information. For planning purposes, please contact the Langruth Library if you are interested in having your child/children participate.

Kinosota Trail Game & Fish News

Clay Shooting

Kinosota Trail Game & Fish will be starting weekly Clay Shooting in June on Tuesday nights. For more information contact Cecil at 204-871-8102.

Hunter Safety

Kinosota Trail Game & Fish would like to know how many people are interested in taking their Hunter Safety. Please contact: Cecil at 204-871-8102 or Kory at 204-871-8106.

Laugardalsætt Society Family Reunion - Langruth Family Day

About forty descendants of Katrin and Þorleifur, who live in Iceland, will be arriving in Canada on June 15th. Part of the reunion will include a family day at Langruth.

On June 18th, Family Day events will be taking place in Langruth and at the Narrows. All relatives are invited to come and join in one or both of these events. Langruth will be hosting a luncheon at the Langruth Community Hall, followed by a Heritage Tour. The Icelandic visitors will arrive at the Langruth Community Hall around 10:30 am on Tuesday, June 18th. They will meet relatives there until about 11:30 am, when Langruth relatives will serve a luncheon. At about 1:00 pm, Philip Thordarson will conduct a tour of the Icelandic settlement area, including the Big Point Cemetery, the Big Point Hall site, and two 100 year farms. This tour will end at the Thordarson farm, as guests of Philip and Phyllis Thordarson. At 3:00 pm, the Icelandic group will travel to the Narrows West Lodge.

Please register with Phyllis Thordarson by June 5th by calling 1-204-445-2323 or emailing thordarsonlangruth@live.ca if you plan to attend the Langruth event. There will be no charge for these events, but everyone attending is asked to **please register by June 5th** in order to ensure that events go well and are enjoyed by all. This will allow the planning group at each location enough time to prepare for the appropriate number of guests joining them.

**Be so happy that when
others look at you they
become happy too!**

MJ STOP & SHOP

Now Available:

**Slushies, All Beef Hot Dogs, Smokies,
Tostitos, Popcorn, Nachoes, Crafts,
Giftware & Watkins**

Telus Walk to Cure Diabetes

The TELUS Walk to Cure Diabetes is an excellent opportunity to raise awareness about type 1 diabetes (T1D), raise much needed funds to continue essential Juvenile Diabetes Research Foundation funded research, and is a great way for organizations, friends and families to get out for a day of fun and fitness.

Telus Walk to Cure Diabetes
Riverbank Discovery Centre, Brandon
Date: June 23, 2013
Registration time: 10:00 am
Walk time: 11:00 am

This year's goal: \$22,500.00

Bill and Karen Jackson will be participating in this event. This is 'Year 17' for their family living with Type 1 Diabetes. Donations for this cause would be gladly accepted. Contact Karen at bjackson@mts.net for more information or send donations to:

Karen Jackson
Box 234
Langruth, MB, R0H 0N0

New 'Kids' at the Jonasson's

It is the season for baby animals on the farm. Ted and Lynne Jonasson submitted this photo of their baby goats, their 'kids', born at the end of April. It is always fun to have 'kids' on the farm.

Thank-You

The Lakeland Cemetery Committee would like to thank the Langruth Legion and the Langruth Elks for their kind donation of \$1000.00.

*Thank-you,
Lakeland Cemetery Committee*

Graduates Corner

The Graduates' Corner column of the Langruth Views is dedicated to publishing pictures and information about Langruth and area students who have graduated from junior high, high school, technical trade, and other post-secondary education institutions. We are proud of our graduates. Please make sure to submit pictures and information about your graduating students to the editor so it can be included in the July or August issue of the Langruth Views.

Church News

Who's Who?

The April 2013 Who's Who Photo was the Grades 1-4 Class in 1946 at Langruth School. It was submitted by Betty Oswald, who is in this photo. We haven't been able to identify all of these young people but have a good number of them. If you know any more of these students or find any errors please send us your information.

Front Row L-R: Charles Buchan, Doreen Smith, Verna Einarson, Louise Doar, Elaine Sorenson, _____, John Marteinson, Betty Trelenberg (now Oswald), _____, Jim Smith

Second Row L-R: _____ Einarson, Jack Jackson, Bruce Matthews, Irene Doar, _____ Einarson, Haroldine Magnusson, Eunice Jabush, Elsie Fedora

Third Row L-R: Chris Arnason, _____, May Thompson, _____, _____, Helen Soos, _____, Helga Jackson (teacher)

Fourth Row L-R: _____, Marnold Goodmanson, _____, Les Soos, Ernie Soos, Betty Thompson, Marie Grey

Fifth Row L-R: Irene Jabush, _____, _____ Thompson, Jack Fedora, Bill Haney, _____, _____

In May we took you over to the Langruth Legion Auxiliary Room. What type of gathering were these women attending? Is there a Christmas tree in the back corner? Send us your guess as to who you think is in the picture.

The June 2013 Who's Who? Photo can be found on Page 15 of this issue. Check it out!

Thank-You

My special thanks to the Langruth Fire Department for their attendance at the fire in my yard.

My very special thank-you to Martin and Albert Czeranko for noticing the fire and their quick attendance in helping put it out.

Without the help of all these fine people a lot of damage could have happened.

*Thank-you all again,
Raymond O'Connor*

Caring For Kids Celebration Radiothon

The Children's Hospital Foundation of Manitoba and Bell Media hosted the Caring for Kids Celebration Radiothon on Wednesday, May 1st 2013. Over \$201,185.00 was raised!!! The *Caring For Kids Celebration* gave listeners the opportunity to hear first-hand stories from children that have fought hard for their lives, as well as the struggles their families have faced and continue to face every day.

Dallas Jonasson was on the Radiothon. The show highlighted *Kids Helping Kids*. Dallas had collected Canadian Tire money for the Children's Hospital. With prior arrangements, the Canadian Tire in Portage La Prairie bought the donated Canadian Tire money from him. Dallas presented the hospital with \$126.35.

Dallas is continuing to collect Canadian Tire money. A poster and donation jar are at the Langruth Post Office if you would like to donate your Canadian Tire money to this cause. Contact Lynne Jonasson for more information.

Einarson Park RV and Camping Rates

- \$15.00 per night with an electrical hookup for a RV.
- \$7.50 per night without an electrical hookup for a tent in a designated area.
- \$10.00 per night with an electrical hookup for a RV staying more than 15 days.

All camping to be reserved and paid for at the
RM Office - 204- 445-2243

Nature Notes

From Raymond O'Connor

Canvasback

A sloping profile from the front of its crown to the tip of its long dark bill distinguishes this bird. It is one of the largest and heaviest ducks in North

America. At a distance the male appears white with a black rear and breast. The long neck and head are rich rust-red. The female is grayer with a rusty tint to the neck and head.

The Canvasback is a wary species that often rafts well away from the shoreline. It flies high, frequently in formations and dives deeply to feed on aquatic vegetation and mollusks.

The nest is of dead vegetation lined with down. It is in marsh stands of vegetation above water and sometimes on dry ground. The nest is built by the female.

Incubation is 23-29 days long by the female. The young take their first flight at about 56 - 60 days. They are tended by the female. They have 1 brood per year.

A decline in population is primarily blamed on nesting habitat loss. Releases from hunting pressures and development of nesting habitats may have stabilized populations.

Langruth Fall Fair

Don't forget the Langruth Fall Fair is coming up in August. Plan your garden with the fall fair list in mind so you can have lots of entries. Happy gardening!

Also check out your 2013 Fall Fair book for new additions this year. Decorated Cakes have been added.

Adults: Decorated Cake
16 & under: Decorated Cake
12 & under: Decorated Cupcake
6 & under: Decorated Cupcake

If you would like a copy of the Fall Fair book call Tamara at 204-445-2070, Diana at 204-445-2088 or Lynne at 204-445-2254 in the evening.

SKINCERITY®

NIGHTLY BREATHABLE MASQUE

Clinical Proof Skincerity® Works

Skincerity® is a revolutionary one-step breathable masque born out of advancements in topical drug research funded by National Institutes of Health grants.

The pioneering science is extremely effective for both medical and cosmetic applications. As noted in the July, 2005 issue of *Dermatology Times*:

...subjective observations who used the preparation to treat a scar suggested that the product had a powerful anti-wrinkle effect

Unlike most consumer products, Sincerity's groundbreaking breathable masque technology has been validated by some of the world's leading physician experts.

Fifty and Beyond News

The Langruth Seniors held their monthly business meeting on May 7th. There were 7 members present. There wasn't much to discuss at the meeting. We haven't been planning many things because we are still wondering what is happening with the Legion building where we hold our meetings and gatherings. We decided to schedule our next meeting for June 4th. We have also scheduled our next monthly supper for June 27th. Hopefully this will all work out.

We had our last monthly supper on May 23rd but we had one of our lowest attendances that we have had for some time. It seems that everyone had other things to do and weren't able to attend the supper. Hopefully we will have a better attendance for our June supper.

At the meeting Harry Lazor read a letter that he had received from the Langruth Legion and Langruth Elks in which they had made a very kind donation to our club. This donation was gratefully accepted by the club. It was very kind of them to donate some money to us. Harry will be sending them a thank-you card for this donation.

In my last column I had made an error. I hope that everyone will understand that I had two names mixed up. At our last meeting in Glenella, a nice lady accepted the position of Chairman of the Central Plains Committee replacing Loreen Aman. I had said that it was Joann Oswald when in fact it was Marion Single who accepted the position of Chairman of the Central Plains Committee. We certainly hope that she will enjoy the position and we look forward to working with her and helping her look after the committee affairs to keep our seniors together.

We celebrated four birthdays at our last month's supper. Those birthdays would have been in April. We also had three birthdays in May but none of them happened to be there. We hope they and anyone else who had a birthday had a good day and wish them a great coming year.

Two get well cards were also sent out in the last months. We hope these people are feeling better and are on the road to recovery.

We lost a former member who had actually been with the Langruth Seniors Club from the beginning. Florence Jackson, who was living in Minnedosa, passed away last month. Her largely attended memorial was on May 10th. Many of our former residents and her family were back for the service. To Florence's family and friends we send our deepest sympathy.

We also had word of the death of the son of Patricia Letandre. Pat lives here in town and has been coming to the Seniors meetings and suppers. She is also the caretaker at the Community Hall. To her and her family we send our deepest sympathy on the loss of her son. I understand that his girlfriend, who was in the vehicle as well, is still in the hospital so we send her good wishes for a speedy recovery.

As I said earlier, we don't have too much to report this month. Hopefully this bad weather will turn around soon so we can enjoy some better weather, get out in the gardens and get out visiting with friends and family.

See you next month,
Teri

THANK-YOU

We would like to thank
everyone for all the lovely
shower gifts.

Also to those who bought
social tickets and everyone
that came out to the social.

Sincerely,

Drenna and Wes

4-H Celebrates 100 Years: 4-H Memories

Do you have any old 4-H memorabilia? Uniforms? Trophies? Photographs? Banners? Newspaper cuttings?

4-H celebrates its 100th anniversary in 2013 and a special display is planned for this year's Portage-X in early July. Displays will be set up in the Exhibition Building on the fairgrounds.

Over the years Langruth has had several 4-H clubs with beef, horse and multipurpose projects. If you have anything that you would be willing to lend for the display, contact Arlene Davey of Westbourne at maplegr@hotmail.com or Sharron Arksey at sarksev@xplornet.com.

As 4-H in Canada celebrates 100 years, the Langruth Views will be remembering local 4-H clubs. Please submit 4-H Memories that you would like to share with other readers.

Thank-You

St. Emeric's Cemetery, Langruth and Our Lady of the Angels, Amaranth would like to thank the Langruth Legion and Langruth Elks for their generous donation to each of these places.

The Legion and Elks were active in our community for many years. They will both be greatly missed.

*Thank-you,
St. Emeric's Cemetery, Langruth
& Our Lady of the Angels Church,
Amaranth*

News From Here, There and Anywhere Reporter Teri Soos

Hello everyone. Are you enjoying this fine summer? Did I hear someone say, 'What summer?' Well that is the way it has been. It just seems that we have been going from winter to more winter. Well maybe not but I did hear someone the other day say, 'It feels more like it is going to snow than rain.' I happen to be in agreement. I like it a lot warmer than this so I too am wondering, 'What summer?' Summer doesn't seem to be coming for some reason. Everyone has been wanting to do their seeding and gardening for over a month and it still doesn't seem warm enough. I know that some people have planted their gardens and some people haven't. I don't even have mine worked up yet. The weather just hasn't been cooperating. It is too wet and soggy. I don't know if I will get my garden in at all this year. I hope that everyone who is able to plant their garden has an abundance of vegetables and finds a need to give it away! As for my lawn, well, it is more like a hay field. It is getting higher everyday but it has been so wet that I haven't been able to get out and mow it. I know that it keeps on growing in bad weather but I wish it could slow down when it is cool and miserable to give us a chance to get out and cut it. Sorry everyone about the condition of my lawn.

We know that the farmers have really wanted to get on their fields. Some of them have been able to get going but with the weather that we have been having they have had to stop for a few days. I just saw the weather report calling for more rain next week. I hope that we miss it because I know it is getting late for the farmers seeding.

I noticed in my garden the plum trees are starting to bloom. They rarely make any fruit because they are over shadowed but they do bloom nicely. Unfortunately, we usually get cold wind and rain when they bloom which does them in. I hope it doesn't happen this year.

'Showers' mean different things to different people as I have said before. We had a couple of lovely 'Bridal Showers' recently that were very well attended. We wish those girls all the best in

News From Here...con't

their future and happy lives from here on in.

Our All-Around-Town Garage Sale was on June 1st. I hope that everyone had a good time and had good sales.

On the subject of people coming and going, Velma Vereb's daughter Yvonne came for a visit. Velma then spent a couple of weeks at Yvonne's in Kenora before returning home. Velma's daughter Phyllis was also home for a few days to help her with a yard sale and some things around the yard.

I heard that Ralph Thompson was scheduled for some work on his knee in Winkler. We are hoping that Ralph has a speedy recovery and that he is back on his feet soon. While we are on the subject, let's also wish anyone who is under the weather right now a speedy recovery. Those that I know of include the girlfriend of Pat Letandre's son. She is still in the hospital after the vehicle accident. Also good wishes to Elizabeth Aitkens, who hasn't been feeling well, to Clifford Speke, who has been under the weather, to Wally Armstrong, who has been doctoring lately, to Elaine Smith, to Ann Craik, who has been having a trouble with her foot after a bad fall, and to Ernest Eiriksson, who also had a bad fall. To all these and anyone who is feeling under the weather we wish you speedy recoveries and sunnier days to come.

I was talking earlier of spring getting going. I see that the Hummingbirds have returned. I thought it was too early because it was so cold but when I put out my feeders the Hummingbirds came. I do have to say that I have not seen so many Orioles in our area in a long time. Those silly birds seem to think they can feed at my Hummingbird feeder as well. I don't know if they get anything or not. They are very pretty birds and I don't mind seeing them here.

I'm sure you have noticed that the small trees and Saskatoon trees along the roads are starting to bloom. Isn't it sad that we have to have this old wind and rain just when the Saskatoons try and bloom? The weather always seems to ruin our chances of getting any berries. It sure would be nice to get a good feed of wild Saskatoons. I am hoping with the change in weather some of the

Saskatoons that haven't bloomed yet will have a chance produce and we will be able to put some in our freezers for the coming year.

I was in a store in Portage recently and an elderly gentleman came by and asked me if I would like to buy a pie that was on the counter. I knew it was a pie but I didn't see what kind it was so I said, 'No, I'm not really interested.' He said, 'Are you sure you don't want it because if you don't buy it I'm going to have to.' Well, I still didn't know what kind it was so I said he could have it. He says, 'But this is Saskatoon.' For some reason he was really insistent that I buy the pie but I'm actually not that fond of Saskatoon pie (even though they are good). After I walked away I saw him put it in his cart and I hope that he enjoyed it.

June is upon us and students are getting ready for summer holidays. We hope that all their exams go well and that they will have a good year end and summer holiday. We congratulate anyone who will graduate this year. Good luck everyone who will be moving to the next grade. We hope that whatever these graduates do in the future is to their liking and they get positions that they want. Before I forget, we need to remember the teachers as well. They certainly have done their share of work this past year giving students all the knowledge that they can. We want to thank them for all their hard work.

Let's also remember those that have passed away in the last little while. Florence Jackson, a former long-time resident of Langruth, passed away in May. She had been a member of many of the clubs in Langruth. We want to send out deepest sympathy to her family and friends. We also send our deepest sympathy to Pat Letandre, who lost her son tragically in a car accident recently. The Rhodes family had a Memorial Service for Harold Rhodes, who passed away in December, on June 1st at Big Point Cemetery. We send them our sympathy again on his passing. I noticed in Gladstone the other day that a man by the name of William Browning passed away. I'm sure that many from around here know of him as he did a lot of work around here at one time. We send sympathy to his family as well. We also want to send sympathy to anyone that we may not

News From Here...con't

have heard of. We hope that memories of happier times help them through these sad days.

I actually didn't get much news from anyone this past month so I guess I have come to the end of this column. I hope that everyone can get out and enjoy the outdoors even though the weather doesn't seem to be favourable right now. I did see in a magazine that one lady thought she would maybe buy four winter coats and have one for each season because it seems as if we are having winter, after winter, after winter.

I hope everyone has a good summer. Take care, until next time,

Teri

LAKEVIEW FIRE DEPARTMENT

For emergency Call 911

Box 100 Langruth, MB, R0H-0N0

Office: 204-445-2243 Fax: 204-445-2162

Chief: James Rinn 204-445-2392

The Lakeview Fire Department would like to thank the Langruth Legion and the Langruth Elks for their generous donation. We are honored to be chosen as a worthy recipient.

This donation will certainly help the Fire Department. You can be assured we will put it to good use that will benefit the community.

Sincerely,

James Rinn, Fire Chief, and Lakeview Fire Department Members.

A perfect summer day is when the sun is shining, the breeze is blowing, the birds are singing, and the lawn mower is broken.

Southern Health-Santé Sud reminds cyclers to wear their helmets properly!

<http://www.gov.mb.ca/healthyliving/hlp/bikesafety/>

Cycling is a great way to enjoy the fresh air and get "in motion". It's a fun and healthy way to get around. As a child, getting your first bike is an exciting time -- for both kids and their parents! It's an activity that the whole family can enjoy together.

Cycling also has its risks, from minor bike crashes with scrapes and bruises to more serious injuries involving broken bones or head injuries. Every year in Manitoba approximately 160 cyclists are hospitalized for cycling related injuries, with several resulting in serious injury or death. About 40% of these injuries occur to cyclists under the age of 18.

In effort to reduce the number of cycling head injuries, on May 1st a new law took effect which **requires cyclists under the age of 18 to wear a properly fitted and fastened protective helmet.** Helmets must be certified by standards such as the Canadian Standards Association (CSA), Snell Memorial Foundation, the Consumer Product Safety Commission (CPSC) or the American National Standards Institute (ANSI).

Wearing a properly fitted helmet has been shown to reduce brain injuries by 88% and head injury by 85%. In order to properly fit your helmet there is a simple rule to follow, the rule is called: **2-V-1**

2 - Two finger distance from helmet to eyebrows

V- V-shape straps around both ears

1- One finger between chin and strap

Once your helmet is fitted properly and in place, make sure you follow the 3Rs of safe cycling:

- **Same Road-** Bike and car share the road
- **Same Rights -** You have a right to your space on the road
- **Same Rules-** Everyone must follow traffic signs

This season, keep your head safe and ride safely!!

R.M. of Lakeview News

Municipal Amalgamation

In November 2012, The Provincial Government of Manitoba announced that it plans to amalgamate 87 municipalities with fewer than 1000 residents before the municipal election next fall. Neither your municipal nor provincial representatives ran on the campaign to amalgamate municipalities.

The provincial government is planning on forcing our municipality to amalgamate this spring. What do you think?

The organization that represents incorporated municipalities is the Association of Manitoba Municipalities (AMM). The AMM does not oppose amalgamation if it is voluntary. The AMM does, however, strongly oppose **forced** amalgamation, and it opposes the very short timelines suggested by the government.

It also opposes the elimination of public input through an independent body, the Manitoba Municipal Board, in what may be one of the most important decisions your community will ever make!

The AMM has clearly communicated its position to the provincial government, and offered a number of compromises.

1) The Province of Manitoba should assess the viability and sustainability of the communities it is targeting;

2) The Province could then assist municipalities who choose to amalgamate by providing all the support necessary, monitoring the implementation and highlighting its benefits;

3) And, the Province could work with those municipalities that *are* struggling to be sustainable on acceptable timelines that will result in better service delivery.

We encourage you to let both your municipal elected officials and your MLA know what you think. To find out who your MLA is please visit http://www.electionsm Manitoba.ca/cn/Who_is_my_MLA/index.html or call 1-866-628-6837.

To comment on the provincial amalgamation Bill at the Manitoba Legislature (450 Broadway in Winnipeg), please call 204-945-3636.

**Your input will ensure those you elected can make an informed decision, based on your democratic rights.
Please make your views known!**

SUMMER EMPLOYMENT

The R.M. of Lakeview has an opening for a summer student from July to August 2013.

Duties will include: General grounds keeping and facility maintenance in and around Langruth, including parks, beaches & sports grounds, assisting in the municipal shop and other duties as assigned.

Qualifications:

- Experience operating and maintaining lawn tractors, push mowers, trimmers and hand tools.
- A valid driver's license.
- Ability to drive a vehicle with a standard transmission considered an asset.
- Ability to work independently with minimal supervision.

Obituary:

David (Bud) George Langdon March 21, 1927 – April 27, 2013

Our much loved father, grandfather, great-grandfather and friend passed away peacefully in his home.

Predeceased by his wife of 60 years Mae, brother Bill and sister Anne, brothers-in-law Irvin, Ray and Jim and sister-in-law Jean.

Forever to cherish Bud's memory are his four children, Sylvia, David, Carol and Jim, sons-in-law Paul and David, daughter-in-law Lynn and 12 grandchildren Natasha, Jana, Andrea and Hope, Sara, Annie and Aiden, Jamie, Cathy and Christopher, Melissa and Michael and 14 great-grandchildren Noah, Wyatt, Cohen, Jackson, Jake, Henry, Livia, Kale, Owen, Warren, Emma, Paige, Ava and Finn. He will also be sadly missed by his sisters-in-law Doreen, Bea, Dorothy and Jackie and his brothers-in-law Bob and Don.

Bud was born in Ontario and raised in Langruth, Manitoba, a town founded by his father George and Mr. Ruth. At the age of 16, he enlisted and trained to 'do his part' in the Second World War. He received the Canadian Volunteer Service Medal and War Medal in 1945 at the war's end. Although he did not serve active duty, his Service for his country extended from 1944 to 1974. His service in the Royal Canadian Air Force took him and his family to various stations including Gimli Manitoba, Borden Ontario, Winnipeg Manitoba, Marville France, Chatham New Brunswick and finally returning to Winnipeg where the family settled. This variety offered them shared opportunities and varied interests including a love of travel, as well as a sense of home. He was a Manitoban.

Bud was a family man. 60 years of love and devotion to his wife Mae was beyond inspiring, in particular his daily visits to West Park Manor on Handi-Transit in her later years. His love of his children, grands, and great-grands was genuine and palatal. The glint in his eye, the smile on his face followed by a great big scruffy hug that engulfed them with a sense of well-being will be truly missed and forever cherished.

Bud's interests included sports, which he participated in, such as: curling, baseball and golf. When he was no longer able, he became an enthusiastic fan of those activities, as well as hockey and basketball. He also served his community wherever he lived and wherever he saw a need he could fill. This list is too numerous to mention but included work at the Agape Kitchen when he retired. He had a special appreciation for those who served him; his Home Care and Medical Care Facilitators went above and beyond happily providing for both his physical and spiritual needs. They often wondered who is taking care of who. He cared deeply for friend and family and his personal example of love, gratitude and faith will be with us forever.

We love you Dad, Grandpa Bud!
We know you are reunited with Mom
And with your Lord and Saviour.

The family is grateful for the loving care Dad received over the years at Lindenwood Manor and would like to extend our gratitude to allow Dad to spend his last weeks at home. This thank you extends to Valerie and Lynne, his nurses whose care and love could not go unnoticed.

A Memorial Service was held at Lindenwood Manor on Monday May 6, 2013. In lieu of flowers, please consider a donation to your favourite charity.

Langruth Elementary School Parent Advisory Council **SUMMER FUN RAFFLE**

1st Prize: Patio Set

2nd Prize: BBQ

3rd Prize: Fountain

Draw to be made at the LES Awards Day Ceremony on June 27th. Tickets are available for purchase from any student at LES or contact the school. All proceeds raised will be added to the LES Playground Fund.

Langruth Elementary School News

Words of Wisdom from the Principal

June is an exciting time of the year for everyone. June is a time of the year when Langruth School celebrates its many successes. There are a lot of celebrations planned as we bring this school year to a close. But, it is not over yet. It is important for students to realize that nice weather does not mean that school has ended. Older students, especially, need to understand that this is an important time of year academically as final exams are close at hand. Grade 8 students need to realize that we are still completing testing that will be passed on to high school teachers to help prepare for Grade 9. Also, if students want a say in planning for next year, they need to be around to give their input. In short, school is not over just because the weather has turned warm. All students are expected to be in class. Everyone needs to be here to celebrate our successes.

Plans for next year are well underway. There are a few changes that need to be noted. You may remember from previous newsletters that Pine Creek School Division has been reviewing Band and Music programs around the division. Most of you are well aware that Band was offered to our 6-8 students this year twice per cycle at WMCI. The band program will continue to be offered through WMCI; however, it will only be offered to Grade 7 and 8 in the 2013 – 2014 School Year. Unless further revisions occur, Band will be compulsory in the following school year (2014 – 2015) for Grade 7 students. Those students not taking Band will be taking another strand of Arts Education. Other classes that students will attend while at WMCI are Industrial Arts, Home Economics and Physical Education. The proposed time is afternoons on Days 2 and 4.

On a personal note, I have truly enjoyed working at Langruth School again this year. Time has gone by very quickly and I feel lucky to be part of the wonderful communities that make up Pine Creek School Division. I look forward to another successful school year as Principal at Langruth School in 2013 - 2014.

Mr. Tim Klein
Principal, Langruth School

Who's Who?

This Who's Who Photo is another group of young people from the local area. There are a lot of faces in this picture and some will not be easy to recognize. With this photo we would like to begin by identifying the school, the grades and the date (year). If you recognize any of these students please send us those names as well. Answers will be in a future issue. Good Luck!
